

## **ABSTRACT**

Agriculture - Horticulture - Tamil Nadu Horticulture Development Agency - Implementation of Micro Irrigation Scheme under Pradhan Mantri Krishi Sinchayee Yojana (PMKSY) during 2016-17 - First Installment of Rs.19174.4683 lakh - Released - Orders - Issued.

### **AGRICULTURE (H1) DEPARTMENT**

G.O.(Ms).No.290

Dated:23.09.2016  
Thiruvalluvar Andu 2047  
Puratasi - 7

Read:-

1. From the Government of India, Ministry of Agriculture and Farmers Welfare, Department of Agriculture, Cooperation and Farmers Welfare, (Horticulture Division), letter No.F.No.11-42/2015-Hort, dated 10.11.2015.
2. From the Government of India, Ministry of Agriculture and Farmers Welfare, Department of Agriculture, Cooperation and Farmers Welfare, (Horticulture Division), letter No. F.No.11-10/2016-Hort, dated 22.02.2016.
3. From the Government of India, Ministry of Agriculture and Farmers Welfare, Department of Agriculture, Cooperation and Farmers Welfare, (Horticulture Division), letter No. F.No.20-19/2016 - Hort, dated 18.07.2016.
4. From the Principal Secretary/Managing Director, Tamil Nadu Horticulture Development Agency letter No. MIS1/1575/2016, dated 27.07.2016 and 08.08.2016.

### **ORDER:**

In the letter first read above, the Government of India have clarified that the subsidy sharing pattern between Central and State Government is as 60:40 under the Micro Irrigation Scheme under Pradhan Mantri Krishi Sinchayee Yojana during 2016-17.

2. In the letter second read above, the Government of India have conveyed allocation (Tentative) of a sum of Rs.9500.00 lakh for Micro Irrigation (Per drop More Crop under PMKSY) for 2016-17.

[p.t.o]

3. In their letter third read above, the Government of India have released an amount of Rs.5700 lakh as first installment (i.e) Rs.4446.000 lakh for General Category; Rs.1197.000 lakh for SCSP category; and Rs.57.000 lakh for TSP Category towards implementation of Micro Irrigation Scheme under Pradhan Mantri Krishi Sinchayee Yojana during 2016-17 out of the approved amount of Rs.9500.00 lakh.

4. In his letter fourth read above, the Principal Secretary/Managing Director, Tamil Nadu Horticulture Development Agency has requested the Government to sanction and release the Government of India share along with matching State share for an amount of Rs.19174.4683 lakh which includes Government of India share of Rs.5700.000 lakh and State matching share of Rs.13474.4683 lakh (Mandatory Share Rs.3610.000 lakh + Additional Share Rs.9864.4683 lakh) towards smooth and successful implementation of Micro Irrigation Scheme under "per drop more crop" component of Pradhan Mantri Krishi Sinchayee Yojana during 2016-17 as detailed below:-

Rs.in Lakh							
Sl. No.	Area	Category	Government of India share	Mandatory share from Government of Tamil Nadu	Additional Share from Government of Tamil Nadu	Total Govt. of Tamil Nadu Share	Total proposed amount
1	DPAP (21%)	SF/MF	909.7200	606.4800	1010.8000	1617.2800	2527.0000
		Others	227.4300	151.6200	252.7000	404.3200	631.7500

Part - I

**Operational Guidelines for Implementation of Micro Irrigation scheme under “Per Drop More Crop” Component of Pradhan Mantri Krishi Sinchayee Yojana (PMKSY) F.Y 2016-17.**

**1.Introduction.**

In the year 2014-15 Government of India have formulated a scheme called National Mission for Sustainable Agriculture (NMSA), in which Micro irrigation scheme is one of the sub scheme. But from the year 2015-16 onwards Micro Irrigation scheme is being implemented under the new scheme called “Per Drop More Crop” component of Pradhan Mantri Krishi Sinchayee Yojana (PMKSY).

**2. Implementing Agency.**

Tamil Nadu Horticulture Development Agency (TANHODA) is the Implementing authority for implementation of the Micro Irrigation scheme under “Per Drop More Crop” component of Pradhan Mantri Krishi Sinchayee Yojana (PMKSY) in Tamil Nadu and the fund flow and monitoring of the scheme is vested with TANHODA. The following departments are the designated agencies for the respective crops:

- Department of Horticulture – For Horticulture Crops
- Department of Agriculture – For Agricultural Crops

**3. Identification of Beneficiary.**

- I. The term “Beneficiary” under the scheme is defined as “every land holder, who possesses own land or leased land for a period of at least the projected life of the irrigation system (10 years) for the purpose of growing crops and who has a water source, either own or shared” with pumping system.
- II. Cluster approach may also be practiced.
- III. Women, SC/ST farmers, Ex-Service men and Physically Challenged farmers will be given preference.
- IV. Support to each farm family under “Per Drop More Crop” component will be restricted to a farm size of **5 Ha**. However, beneficiaries who have already availed the benefit of Micro Irrigation System cannot avail further assistance for the same land until the expiry of 10 years.

- V. Implementing Agency at the District level should follow uniform procedures and assure transparency in selecting beneficiaries and releasing assistance expeditiously.
- VI. Two or more farmers may join together, pool their land and avail the subsidy provided such area is contiguous.
- VII. All Applications are registered and sorted to maintain the seniority at block level as given below:
- VIII. Application date seniority (If many applications are received on the same day)
  - a. Gender: Women farmers first
  - b. Size of the holding (area) from minimum to maximum
  - c. If there are many farmers, within a size, the names will be sorted alphabetically.

#### **4. Target and achievement/ Fund flow.**

- I. The allocated target under DPAP and Non DPAP should be strictly followed without any interchange.
- II. The target allocated for Small Farmers /Marginal Farmers and Others should not be deviated while implementation.
- III. The fund flow for General, SC and ST should be as per the allotment of funds under the respective heads without any deviation.
- IV. At least 30% of women beneficiaries should be under Small Farmers /Marginal Farmers category.

#### **5. Pattern of Assistance.**

Micro Irrigation scheme under "Per Drop More Crop" component of Pradhan Mantri Krishi Sinchayee Yojana (PMKSY) with the following pattern of assistance has to be followed.

S.No.	GOI / GOTN subsidy	DPAP		Non DPAP	
		SF/MF	Others	SF/MF	Others
1	Govt. of India subsidy	36%	27%	27%	21%
2	Govt. of Tamil Nadu mandatory subsidy	24%	18%	18%	14%
3	Govt. of Tamil Nadu additional subsidy	40%	30%	55%	40%
<b>Total Subsidy</b>		<b>100%</b>	<b>75%</b>	<b>100%</b>	<b>75%</b>

In Tamil Nadu, for Small Farmers & Marginal Farmers 100% subsidy & for others category farmers 75% subsidy to be followed.

#### **6. Eligibility Norms for Subsidy.**

- I. Small farmers and Marginal Farmers of Tamil Nadu with adequate water sources with pumping system alone are eligible to avail 100% subsidy for all crops.
- II. Other category of farmers is eligible to avail 75% of subsidy for any crop and the remaining 25% may be collected from the Farmers as contribution.
- III. By considering the size of land holding and need, the fund is allocated to Small & Marginal farmers and Other category of farmers in the ratio of 80:20. District officers should ascertain that this ratio in the fund allocation is strictly adhered in their respective Districts.

#### **7. Documents Required.**

- I. The MI Firms has to be chosen by farmers.
- II. The following documents are required:-
  - a) Computer generated chitta duly attested by the revenue official.
  - b) Adangal updated with previous crops and the crop to be cultivated duly authenticated by VAO.
  - c) Field Map Book Sketch attested by revenue official.
  - d) Proper Lease agreement for 10 years if it is a leased land.
  - e) Agreement copy of water if shared.
  - f) Ration card Xerox copy.
  - g) Small & Marginal farmers certificate to be obtained not below the rank of Tahsildar.
  - h) Copy of Demand Draft (DD) towards 25% beneficiary contribution in case of other farmer category.

#### **8. Selection of MI Company.**

- I. The 34 Micro Irrigation Firms expressed their interest to install Micro Irrigation System in Tamil Nadu under "Per Drop More Crop" of PMKSY for this plan period. Factory inspection on technical aspects was done by officials of Horticulture Department. All the 34 Micro Irrigation Firms registered with Tamil Nadu Horticulture Development Agency (TANHODA) are given approval and the list is enclosed in the Annexure- I (Part-II).
- II. The Micro Irrigation Firms should supply quality Micro Irrigation components with BIS standard. The details about the Micro Irrigation component such as manufacturer

License No, Batch No, Size, Discharge, BIS Standard etc. are to be printed/engraved and it should be clearly visible on the components.

- III. The Micro Irrigation components installed should be upto the specification declared by them during registration and should be verifiable at any time by the inspecting officers.

#### 9. Application Procedure.

- I. The application form of NMMI Scheme may be utilized with additional particulars of DPAP area, Non DPAP area, wide spaced crops and closed spaced crops and type of irrigation sources like open well, tube well and farm pond etc.
- II. In Tamil Nadu from registration of Micro irrigation application till the subsidy release to Micro Irrigation firms every process is being implemented and monitored by online system. There is a separate agency involved for online application and storage of data. **The existing online system is practiced for this year.**
- III. Beneficiaries are identified by Block officers based on the eligibility criteria and seniority is maintained as said already. Block Officers register the applications through online. Once, the application was registered, preliminary field inspections will be carried out by concerned block officers for screening the application. Then, farmer can select any one of the registered Micro Irrigation Firms of TANHODA for execution of Micro Irrigation installation works. After scrutiny of application and estimate, District Officers will issue Work Order to concern Micro Irrigation Firms through online. Prior approval or ratification later from District Level Implementation Committee (DLIC) is must in this regard.
- IV. The District officers are instructed to issue work order to Micro Irrigation Firms after ascertaining the functioning of service centres with contact details in the respective Districts and certificate is to be given to Managing Director, TANHODA about the functioning of service centres before issuing work order.
- V. Monthly periodical report about the performance of service centres maintained by different Micro Irrigation Firms should be communicated to the head officer.
- VI. Block officers of the block will make check measurement and verify the work after installation of Micro Irrigation System by selected Micro Irrigation Firms. Based on the check measurement Micro Irrigation Firms will generate invoice and the District Officers will release subsidy to Micro Irrigation Firms through online as per the procedure in vogue.

- VII. The application is to be examined and after perusal, either approved or not approved due to short comings, if any, shall be communicated to Micro Irrigation Firms within 10 working days.
- VIII. The farmer should complete trenching work within 7 days. The Micro Irrigation Firms should complete the installation of work within 15 days after trenching.
- IX. Tripartite agreement to be signed by the farmer, Micro Irrigation Firms and Implementing Agency for the maintenance and sustainability of the system for a minimum period of three years.
- X. On delivery of materials by Micro Irrigation Firm, the farmer is responsible for the stock till the installation is completed.
- XI. The variation of cost arising out of land size, land shape and gradient should not exceed 10% of the unit cost.
- XII. Cluster formation may be made as optional.
- XIII. Considering the further extension of the Micro Irrigation System, if the farmer prefers larger diameter pipes and larger diameter laterals, it may be included in the design of Micro Irrigation System with a condition that the beneficiary should bear the additional cost.
- XIV. The Micro Irrigation Firms should supply a spare components kit (extra 25 joiners, 2 washers each for filter tank and Fertigation tank, 25 Gromet take off) to the farmer for minor repairs and maintenance.
- XV. The Block level officers both Assistant Director of Horticulture and Assistant Director of Agriculture have to acknowledge the receipt of the invoices and documents submitted by the Micro Irrigation Firms on completion of the work for check measurement.
- XVI. The invoice should be submitted to Joint Director of Agriculture / Deputy Director of Horticulture by block level officer after 100% check measurement of the installation with pre inspection field photos and post inspection field photos with farmer.
- XVII. District Level Implementation Committee (DLIC) approval has to be obtained for each and every expenditure incurred under Micro irrigation scheme with all beneficiary list, vouchers, etc.
- XVIII. The Joint Director of Agriculture/ Deputy Director of Horticulture will forward the application to third party agency. Which should complete the inspection within 7 days and finally payment will be made after deducting the 2% impound money and 5 % incase of no bank guarantee to the Micro Irrigation Firms. District Level

Implementation Committee (DLIC) will approve the release of subsidy in the meeting conducted once in a Month in the District.

- XIX. To the Micro Irrigation System installed in the farmers fields, for which third party inspection is not completed, 80% payment may be made as practiced before.
- XX. The post installation inspection and check measurement should be completed and the payment should be made to the concerned Micro Irrigation Firm within 10 days, after third party inspection.

#### **10. Cost of installation of Drip and Sprinkler Irrigation System.**

The 34 Micro Irrigation Firms expressed interest to register under TANHODA for installation of Micro Irrigation System for this plan period. For the above Micro Irrigation Firms technical factory inspection was done by Officials in this department. 34 Micro Irrigation Firms registered with TANHODA were given approval to implement the Micro Irrigation Scheme in Tamil Nadu.

As per the Government of India order, State level committee of National Mission for Sustainable Agriculture, approved the Micro Irrigation Firms with the condition that cost of installation will be the cost as per the cost norms specified in the operational guideline of National Mission for Sustainable Agriculture(2014-15) issued by the Government of India as detailed below

##### **a) Drip Irrigation System.**

S.No.	Lateral Spacing(m)	Amount in Rupees				
		1ha	2ha	3ha	4ha	5ha
<b>A. Wide space crops</b>						
1	8m & above	23500	38100	59000	74100	94200
2	4m to <8m	33900	58100	89300	113200	142400
3	2m to <4m	58400	108000	161800	220600	271500
<b>B. Close space crops</b>						
4	1.2m to <2m	85400	161300	243400	332800	412800
5	<1.2m	100000	193500	292100	399400	495400

**b) Sprinkler Irrigation system.**

S.No	Type of Sprinkler	Amount/Ha.
1	Micro Sprinkler(5mx5m)	58900
2	Mini Sprinkler(10mx10m)	85200
3	Portable Sprinkler	19600
4	Semi Permanent Sprinkler	36600
5	Large volume Sprinkler (Raingun)	31600

**Micro Irrigation Firms who agreed to install Micro Irrigation System as per the NMSA cost norms for all spacing or those agreed to provide discount to farmers if the cost exceeds above the NMSA cost alone were given approval. Hence, any additional amount should not be collected from the farmers.**

**11. After sale service.**

- I. The Micro Irrigation Firms should provide satisfactory after sale service for a period of three years. Any defects have to be rectified /replaced to the beneficiary at free of cost. List of District wise service centers with full address and telephone number should be made available.
- II. After sale service by the Micro Irrigation Firms are almost not satisfactory, the service card shall be introduced to ensure bimonthly visit of the Micro Irrigation Firms to the field for the inspection to attend the complaints for six months and thereafter once in a quarter for three years. The service cards shall be evaluated to decide the magnitude of the service rendered by the Micro Irrigation Firms at the end of one year and suitable penalty shall be levied for the deficiency in service.
- III. The payment to the Micro Irrigation Firms shall be made by impounding 2% subsidy amount and 3% of the amount due can be secured through a bank guarantee so as to avoid loading the financing cost on farmers by the vendors. The impounded amount will be released after one year of installation on satisfactory maintenance services.
- IV. The Micro Irrigation Firms should give training to the farmers on maintenance of Micro Irrigation System and provide an operation and maintenance manual printed in tamil with contact mobile number of the service providing person.
- V. The following components are to be made mandatory in the installation
  - a. Head Control Assembly : Filter, Non-return valve, ventury / Fertigation Tank, Two pressure gauges.
  - b. Distribution system : Air release valves at each sub main junction
  - c. Delivery system : Dripper (Inline/online)

VI. In the first year of installation, the Micro Irrigation firm staff should make at least 4 visits once in a quarter and two visits in the second and third year.

**12. Disbursing the subsidy directly to the farmers.**

In the case of farmers who are investing the full cost of installing Micro Irrigation System from the Micro Irrigation Firms approved by TANHODA, the subsidy amount shall be directly disbursed to the farmers. If there are practical difficulties the system may commence with large farmers. The farmers will have the option to choose the appropriate equipment supplier who is registered with Tami Nadu Horticulture Development Agency (TANHODA). The procedure for extending subsidy as back ended like all other schemes should be followed here without fail.

**13. Quality Control.**

The Micro Irrigation Components supplied to the farmers for installation will be randomly checked by a quality control team which will be formed with experts separately. Samples will be drawn on by the quality control team and sent to CIPET for analysis and if the materials are found substandard, the concerned Micro Irrigation Firm will be block listed for a period of two years.

**14. Monitoring.**

The progress of the scheme will be monitored and reviewed periodically by the heads of Implementing Agencies at State and District Level.

**15. Report Format.**

District officers are instructed to submit the monthly progress report in the format given by Government of India which is enclosed Annexure II.

Apart from above instruction District officers are instructed to follow the operational Guidelines of Pradhan Mantri Krishi Sinchayee Yojana (PMKSY) which is uploaded in <http://pmksy.gov.in/> should be followed scrupulously without any deviation.

**16. Third party inspection.**

There should not be any discrepancy in the third party inspection. If any defects are noticed by third party inspection team all Block officers and District officers who measured the Micro Irrigation System are liable for disciplinary action.
