In the Government order first read above, administrative approval was accorded for the implementation of the National Food Security Mission during 2016-17 at an outlay of Rs.8368.00 lakh (Government of India share Rs.5020.800 lakh and State share Rs.3347.200 lakh) and also sanctioned a sum of Rs.4184.00 lakh (Government of India share Rs.2510.400 lakh and State share Rs.1673.00 lakh) towards the first installment with sharing pattern 60:40 by Centre and State.

2. The Government of India in their letters second read above have released 2nd installment of fund for NFSM - Rice, NFSM – Pulses and NFSM - Coarse Cereals for the year 2016-17 as detailed below:

(Rs. in lakh)

The Director of Agriculture has also furnished the category and crop wise matching State share to be released on 60:40 sharing by centre and state as detailed below:-

[p.t.o]

4. The Director of Agriculture has further informed that under National Food Security Mission Pulses, Government of India's release of funds under SC category & ST is 29% & 2% respectively as against the normal sanction of 19% & 1% respectively and hence the Department considering the SC/ST population in the State and general flow of funds to SC/ST Category (19% & 1% for SC & ST respectively) have proposed financial sanction by reducing the matching State Share under SCP category & ST under National Food Security Mission Pulses alone. Thus, considering the Government of India release of funds, the Department has proposed sanction of funds for second installment along with State share on 60 : 40 sharing by Centre and State under General, SCP category & ST as detailed as below:-

Sl. No.	Crop	Proposed Financial sanction for second installment (Rs. in lakh)
