3. From the Registrar, Tamil Nadu Veterinary and Animal Sciences University, Letter.No.2754/G1/2020, Dated.7.8.2020 and 10.08.2020.
4. From the Collector, Tiruppur District Letter. Na. Ka.No. 5360/ 2020/, dated 10.08.2020.

ORDER:

In the letters first and third read above, the Registrar, Tamil Nadu Veterinary and Animal Sciences University has stated that in India over 70 per cent of the populations are practicing agriculture and animal husbandry for their livelihood. Livestock sector plays a pivotal role in the economy of rural India. The contribution of livestock to meet the protein requirements of the people is significant. Milk, meat and eggs are the major food items contributed by the livestock and in addition skin, wool, fiber and manure are also obtained.

2. The Registrar, Tamil Nadu Veterinary and Animal Sciences University has stated that to enhance the production and productivity of livestock and to meet the existing protein demand, several initiatives and steps are being taken up by Tamil Nadu Veterinary and Animal Sciences University in the area of Education, Research and Extension and University has metamorphosed into a nationally and globally recognized centre of

higher education in the field of veterinary and animal sciences and food sciences.

3. The Registrar, Tamil Nadu Veterinary and Animal Sciences University has further stated that currently, the University has six constituent colleges, out of which four are Veterinary Colleges in Tamil Nadu viz, Chennai, Namakkal, Orathanadu and Tirunelveli, one College of Food and Dairy Technology at Koduvalli, Chennai and one College of Poultry Production and Management at Hosur. The fifth Veterinary College and Research Institute at Thalaivasal in Salem district and sixth Veterinary College and Research Institute at Veerapandi Village in Theni district are under the process of commencing the admissions for BVSc & AH from the current academic year (2020-2021).

4. The proposal aims at establishment of Veterinary College and Research Institute at Pannaikinaru village, Udumalpet Taluk in Tiruppur District with annual admission of 80 students per year in BVSc & AH course and to start with 40 students initially. As per the proposal, the academic year will begin from 2021-22 with admission of 40 students initially which will be made 80 subsequently.

5. The Registrar, Tamil Nadu Veterinary and Animal Sciences University has furnished the details of the enterupon permission given by the District Collector, Tiruppur, classification of the land and photo copy of the land for establishment of the proposed Veterinary College and Research Institute with an extent of 42.89 acres of land at Pannaikinaru Village, Udumalpet Taluk, Tiruppur District.

6. The Registrar, Tamil Nadu Veterinary and Animal Sciences University has stated that to establish a Veterinary College and Research Institute (VC&RI) at Pannaikinaru Village, Udumalpet Taluk in Tiruppur District at a total cost of Rs. 255.87 crore has been proposed spreading over a period of five years.

7. Since the construction of a new building for the ensuing Veterinary College and Research Institute at Pannaikinaru Village, Udumalpet Taluk in Tiruppur District will take time as there is a due process to start the construction of buildings, the Collector, Tiruppur District has sent the proposal to commence Veterinary College and Research Institute in private buildings owned by RKR Higher Secondary School premises at P.B.No.50, Tiruppur Road, Chinnaveerampatti Village, Udumalpet Taluk in Tiruppur District from the academic year 2020-21 since the buildings has enough space for accommodating office of the Dean and administrative block, class room, laboratory, library, auditorium, staff room, canteen and space for parking of vehicles and it is very easy for the students to access for the field work. The District Collector, Tiruppur has, therefore, requested the Government to issue order to commence Veterinary College & Research

Institute in the above private building at Chinnaveerampatti Village, Udumalpet Taluk in Tiruppur District from the academic year 2020-21.

8. In this context, the Registrar, Tamil Nadu Veterinary and Animal Sciences University has stated that to start a new Veterinary College and Research Institute, necessary infrastructure have to be created for the first and second year courses along with Livestock Farm Complex and Teaching Veterinary Clinical Complex as per the Minimum Standards of Veterinary Education (MSVE-2016) and it is mandatory to get approval from the Veterinary Council of India by furnishing all the details including land related / building related information. The District Collector, Tiruppur has informed that an existing private building at R.K.R. Higher Secondary School, P.B.No.50, Tiruppur Road, Chinnaveerampatti Village, Udumalpet Taluk in Tiruppur District owned by private management, satisfy the needs of starting the new Veterinary College and Research Institute now.
