#### **ORDER:**

In Government order fourth read above the Tamil Nadu Backward Classes Commission was reconstituted with Chairman and six Members and prescribed the Terms of reference of the Commission

2) In the Supreme Court of India judgment dated 31.3.2022, in C.A.No.2600 of 2022, in paragraphs 68 and 73, it has been observed that,

“68. .... We make it clear that the aforesaid observations do not prevent the State, if it so decides, from undertaking suitable exercises for collecting pertinent, contemporaneous data to determine how demands for internal reservation within the Backward Classes can be justly addressed.

73. While the State Government has the competence to classify the Vanniyakula Kshatriyas or any other community or group of communities within backward classes as a particular class for the grant of special measures, there should be a reasonable basis for categorising such communities into a different section from the rest of the communities within the MBCs and DNCs, on grounds which cannot be superficial or illusory.”

3) After careful examination, the Government decided to include the observation of the Supreme Court of India in C.A.No.2600 of 2022 specified in para 2 above as additional term of reference, as follows:-

"The Commission shall examine the demands for internal reservation within the Most Backward Classes and Denotified Communities in the light of observations made by the Supreme Court in its judgement dated 31.3.2022 in C.A.No.2600 of 2022 in particular with reference to paragraphs 68 and 73 thereof and to furnish report to the Government within a period of three months."
