Read:

From the Mission Director, National Health Mission, Letter No. 8256/TAEI/SHS/2018, Dated:15.02.2019.

ORDER:

The Mission Director, National Health Mission in his letter read above, has stated that Road Traffic accidents (RTA) has increased in the last few decades and the deaths due to it has also increased exponentially in Tamil Nadu. Sustainable Development Goals states that the deaths due to Road Traffic accidents should be halved by 2020 for which a new program has been started Tamil Nadu Accident and Emergency care Initiative (TAEI) to standardise, streamline, strengthen, upgrade the Tamil Nadu Accident and Emergency care Initiative centres in a phased manner. In Tamil Nadu 78 hospitals based on the accident hot-spots identified by collating data from Road accident data management system and 108 data. Tamil Nadu Accident and Emergency Care Initiative (TAEI), has been formed vide G.O.Ms No 231, Health and Family Welfare department, Dated 22.6.2017 to implement the trauma care network in the State. The Tamil Nadu Accident and Emergency care Initiative is aimed in bringing together all the Emergency Medical Services under one umbrella encompassing the 6 pillars namely Management of (i) Stroke, (ii) Myocardial Infarction, (iii) Trauma (includes Road Traffic Accidents), (iv) Burns, (v) Poison and (vi) Paediatric emergencies and other Life threatening conditions.

2. The Mission Director, National Health Mission has further stated that as a part of this initiative, Emergency Department (ED) is being established by reorganising the existing Casualty with Emergency Room and establishment of new Multi-Disciplinary Critical Care Units (MDCCU), such that any patient in emergency is treated by the right person, at the right place, within the golden hour. Many patients requiring expertise and intervention by more than one specialist at any point of time. Moreover, it is ascertained that, in many situations, after management of trauma and emergencies, taking over the patients by the concerned specialist is not being done immediately leading to deprivation in quality of care to the patients. Hence, it was decided to establish an eight bedded "Multi-Disciplinary Critical Care Units also known as Hybrid High Dependency Units" under the Control of Intensives

or Emergency Medicine Specialist in 32 district headquarters hospitals and other hospitals as per Table in Annexure 1. Further, an amount of Rs.12,80,00,000/- (Rupees Twelve Crores Eighty Lakhs only) has been proposed in Programme Implementation Plan 2019-20 at Rs.40,00,000 (Rupees Forty Lakhs Only) per Centre for 32 hospitals to carry out civil works / minor structural modifications in the existing buildings in these hospitals.

3. The Mission Director, National Health Mission has further stated that, the proposals were also presented to the Executive Committee of State Health Society, Tamil Nadu, in which the Engineer in Chief and Chief Engineer (Buildings) Public Works Department, Chennai is also one of the member of the committee. During the 37th Executive Committee meeting held on 11.02.2019 the agenda was approved in Agenda No.25. As per the directions issued in G.O Ms No 116, Health and Family Welfare (EAP-II-2) Department, dated: 25.3.2011, the fund approved for civil works under National Health Mission have to be remitted into Government of Tamil Nadu account, under Receipt Head of accounts and funds are to be sanctioned for execution of civil works through Public Works Department.

4. The, Mission Director, National Health Mission has stated that, the funds approved in Record of Proceedings 2019-20 shall be released to State Health Society, Tamil Nadu in the 1st quarter of Financial Year 2019-20 and subsequently remitted into Government Account. Hence, the funds shall be drawn in the month of June 2019 and onwards for the execution of works and the 1st payment for the proposed works may be due only after June 2019 by Public Works Department. An amount of Rs.36,21,37,280/- (Rupees Thirty-Six Crores Twenty-One Lakhs Thirty-seven thousand two hundred and eighty only) has been proposed in Programme Implementation Plan 2019-20 at Rs.1,13,16,790/- (Rupees One Crore, thirteen lakhs sixteen thousand seven hundred and ninety only) per Centre for 32 Centre's to procure the equipments mentioned in Annexure II to this Government Order after gap analysis.

5. The Mission Director, National Health Mission, has requested necessary orders in this regard.

6. The Government after careful examination of the above proposal decided to accept and accordingly issue following orders:

- i. To permit the Mission Director, National Health Mission to establish Multi-Disciplinary Critical Care Units (Establish Hybrid High Dependency Units) in 32 Government hospitals, indicated in the Annexure I to this Government Order.
- ii. To accord administrative sanction for sum of Rs.1280 lakh for carrying out of civil works / minor structural modifications in the existing buildings, towards establishment of above units in the 32 Government Hospitals, through Public Works Department, at the rate of Rs.40 Lakh per unit.
- iii. To permit the Mission Director, National Health Mission to procure the equipments listed in Annexure II to this Government Order, through Tamil Nadu Medical Service Corporation with approved technical specifications finalized by the Tamil Nadu Accident and Emergency care

- Initiative technical committee at Rajiv Gandhi Government General Hospital or with available rate contract at Tamil Nadu Medical Service Corporation.
- iv. The fund of Rs.1280 lakh approved in Record of Proceedings 2019-20 will be sanctioned only after, remittance of the amount into Government Account.

7. This order issue with the concurrence of Finance Department vide its U.O.No.9522/Fin(Health-I)/2019, dated:12.03.2019.

(BY ORDER OF THE GOVERNOR)
