3. From the Mission Director, National Health Mission letter Ref.No.9019/P10/SHS/2018, dated: 24.4.2019.

ORDER:

The Hon'ble Chief Minister has announced among others on the floor of Assembly under rule 110 of the Tamil Nadu Legislative Assembly Rules as follows:-

"தமிழ் நாட்டில் உள்ள 985 துணை சுகாதார நிலையங்கள், ஒருங்கிணைந்த சுகாதாரம் மற்றும் நலவாழ்வு மையங்களாக, 82 கோடியே 2 லட்சம் ரூபாய் மதிப்பீட்டில் மேம்படுத்தப்படும்"

2. In the Government Order first read above, among others, the Government have permitted the Mission Director, National Health Mission and the Director of Public Health and Preventive Medicine to launch the pilot project on Comprehensive Health Care Services in the three blocks namely Krishnagiri-Shoolagiri Block, Pudukottai-Viralimalai Block and Perambalur-Veppur Block.

3. In the Government Order second read above, among others, the Government have permitted the Mission Director, National Health Mission for upscaling the programme of Comprehensive Primary Health Care Services/Universal Health Care in all the remaining 39 Health Unit Districts at one block per Health Unit District under National Health Mission at a total cost of Rs.4417.84 lakh. In the said Government Order, the Government have also permitted the Mission Director, State Health Society to utilize a sum of Rs. 24.7407(Rupees twenty four crore seventy four lakh and seven thousand only)(Recurring and Non-recurring expenditure).

4. The Mission Director, National Health Mission has now stated that, the amount of Rs.2474.07 lakhs have been approved in Record of Proceedings 2017-18 for implementation of Universal Health Coverage in 136 Additional Primary Health Centers, 39 Block Primary Health Centers (CHCs), 9 Urban Primary Health Centers and 918 Health Sub Centers for the year 2017-18. Further, the Government of India has mandated all the States to transform the Health Sub Centres and Primary Health Centres into Health and Wellness Centres (HWCs) under "Ayushman Bharat Scheme". Transformation of Health Sub Centres (HSC) into Health and Wellness Centres (HWC) is to be operationalized through a team led by Mid-Level Health Care Provider (MLHP) and such providers will undergo a bridge course for 6 months in Community

Health Care. Health and Wellness Centres are envisaged to provide the following list of 12 Comprehensive Primary Health Care (CPHC) services.

- i. Care in pregnancy and child-birth
- ii. Neonatal and infant health care services
- iii. Childhood and adolescent health care services
- iv. Family planning, Contraceptive services and Other Reproductive Health Care services
- v. Management of Communicable diseases: National Health Programmes
- vi. Management of Common Communicable Diseases and General Out-patient care for acute simple illnesses and minor ailments
- vii. Screening and Management of Non-Communicable diseases
- viii. Screening and Basic management of Mental health ailments
- ix. Care for Common Ophthalmic and ENT problems
- x. Basic Dental health care
- xi. Geriatric and palliative health care services
- xii. Trauma Care and Emergency Medical services (that can be managed at this level)

5. The Mission Director, National Health Mission has further stated that, after consideration of the Government of India guidelines to transform the Health Sub Centres and Primary Health Centres into Health and Wellness Centres (HWCs), Tamil Nadu has conceptualized that Health Sub Centres, additional Primary Health Centres and Urban Primary Health Centres shall be transformed into Health and Wellness Centres (HWCs) under the existing Universal Health Coverage (UHC) Programme. The following essential inputs are considered by the State for transforming the existing Health Sub Centres into Universal Health Coverage-Health Sub Centres and Additional Primary Health Centres and Urban Primary Health Centres into Universal Health Coverage-Primary Health Centres.

(i) Primary Health Care team

Primary Health Care team has to deliver the expanded package of 12 comprehensive primary healthcare services. Village Health Nurses (VHNs)/ Auxiliary Nurse Midwives (ANMs) will be the healthcare provider at Health Sub Centre level and Staff Nurses (SNs)/Auxiliary Nurse Midwives (ANMs) will be the healthcare provider at Primary Health Centre level between 4 p.m. and 9 a.m. under the supervisory control of the Primary Health Centre Medical Officer. The support staff in the Universal Health Coverage team include Women Health Volunteer (WHV) or Accredited Social Health Activists (ASHA) where available and Anganwadi workers.

(ii) Drugs & Diagnostics

Adequate availability of essential medicines and Hub and Spoke model of laboratory services with Lab Information Systems will be established in Health and Wellness Centres to support the expanded range of services. The major aim is to manage more at the local level and refer less to higher level, and to dispense medicines for Non Communicable Diseases as close to the communities as possible in the Universal Health Coverage Health Sub Centres.

(iii) Infrastructure

Sufficient space for expanded service delivery, for dispensing medicines, diagnostics, quarters for Village Health Nurses in Universal Health Coverage Health Sub Centres and Staff Nurses in Universal Health Coverage Primary Health Centres, water supply, power supply with backup, patient centric amenities, safety standards compliance, quality standards compliance and dissemination of health education messages are to be provided.

Branding of Health and Wellness Centre (HWCs)

- (i) Health and Wellness Centres shall be colour washed with scarf green emulsion paint for outer surface and border coloured with Lemon Blast and for inner surface shall be coloured with half white distemper paint.
- (ii) The display board of the Health and Wellness Centre should illuminate well with visibility at night.

(iv) IT systems

A Comprehensive Universal Health Coverage IT Platform will be developed by the State Programme Management Unit (UHC), Office of the Director of Public Health and Preventive Medicine with support from National Health Mission. The Universal Health Coverage team shall also be equipped with Tablet-PC/Laptop at Universal Health Coverage Health Sub Centres and Tablet-PC/Laptop/Desktop at Universal Health Coverage Primary Health Centres to create family folders of the population covered, outpatient line list entry, facilitate referral reporting, drug inventory and enable continuum of care. Laboratories at Universal Health Coverage Primary Health Centres shall be equipped with desktop, barcode printer, A4 printer and accessories for implementing Laboratory Information Management System (LIMS). All Universal Health Coverage Health Sub Centres and Universal Health Coverage Primary Health Centres shall be equipped with internet connectivity and necessary accessories to ensure functional Universal Health Coverage IT platform.

(v) Capacity Building

The Village Health Nurse / Auxiliary Nurse Midwives will be trained in a set of primary healthcare and public health competencies through a six-month training programme. The Village Health Nurse / Auxiliary Nurse Midwives in Universal Health Coverage Health Sub Centres shall undergo the 6 months "Certificate Course in Community Health Care" with internship, and Staff Nurses (SN) in Universal Health Coverage Primary Health Centres shall undergo one month "Certificate Course in Comprehensive Primary Health Care".

The course affiliated to the Tamil Nadu Dr. M.G.R. Medical University will be offered through the following seven Regional Training Institutes under Director of Public Health and Preventive Medicine:-

- (i) Institute of Public Health, Poonammalle, Chennai
- (ii) Health and Family Welfare Training Center, Egmore, Chennai
- (iii) Health and Family Welfare Training Center, Madurai
- (iv) Health Man Power Development Institute, Salem
- (v) Health Man Power Development Institute, Villupuram
- (vi) Regional Institute of Public Health, Thiruvarankulam, Pudukottai District
- (vii) Institute of Vector Control and Zoonoses, Hosur, Krishnagiri District

Other service providers at Health Sub Centre and Primary Health Centre level will also be trained appropriately to deliver the expanded package of services through short training programs. The capacity building of the healthcare providers is a continuous process.

(vi) Health Promotion and Community Mobilization

Health promotion would be facilitated through engagement of community level committees/groups such as Village Health Sanitation and Nutrition Committee (VHSNCs) and Population based Non Communicable Disease screening program volunteers. Community mobilization will be done in a positive way to ensure that there is Universality, equity and no denial of health care.

6. Further, the Mission Director has stated that, the Government of India have sanctioned Rs.8143.57 lakhs for the implementation of Health and Wellness Centres (Rural & urban) in Tamil Nadu as per the Record of Proceedings 2018-19 and approval has been received for 985 Health Sub Centres and 420 Urban Primary Health Centres to be transformed into Health and Wellness Centres.
