ORDER:

The post of Dark Room Assistant is the promotive post of X-ray Attendant and feeder category for the post of Radiographer. The Atomic Energy Regulatory Board, Mumbai has fixed the qualification for the post of Radiographer as "Higher Secondary Course with Science and Diploma in Radio-diagnosis or Diploma in Radiotherapy". The Certificate in Radiological Assistant Course and Dark Room Assistant Course have been dispensed with from the Academic year 2012-2013. As a result, there will be dearth of eligible person with Dark Room Assistant / Certificate in Radiological Assistant qualification to fill up the post of Dark Room Assistant in future. Since, it is a feeder category for the post of Radiographer, the Dark Room Assistants should also have basic qualification of Higher Secondary Course with Science for getting promotion as per Atomic Energy Regulatory Board norms. In view of the above, amendment to the qualification for filling up the post of Dark Room Assistant is very much essential.

2. The Government have examined in detail the proposal of the Director of Medical Education to amend the Special Rules for the post of Dark Room Assistant and has decided to accept it.

3. The appended Notification will be published in the Tamil Nadu Government Gazette.
