ORDER:

In the G.O. first read above, sanction was accorded for Rs.10.00 Crore to the Project Director, Tamil Nadu Health Systems Project, for creating an initial Corpus Fund to help the needy and poor people, especially children, who undergo any one of the following specialized surgeries under the Chief Minister's Comprehensive Health Insurance Scheme and to bear the extra cost of the surgery of more than the eligible amount of Rs.1.5 lakh per annum from the Corpus Fund.

- i. Liver Transplantation
- ii. Renal Transplantation including post transplant procedure for immunosuppressant therapy
- iii. Bone Marrow Transplantation.
- iv. Cochlear Implantation.
- v. Stem Cell Transplantation.

b.t.o.

The amount of Rs. 10 Crores has been drawn and credited to the Corpus fund as per the G.O. second and third read above. As per the orders issued In Government Order first read above the United India Insurance Company was remitting 12.5% of Government Hospitals claims under Chief Minister's Comprehensive Health Insurance Scheme to corpus fund on day to day basis.

2. In the G.O. fourth read above, orders have been issued to revise the Sharing Pattern of reimbursement accruing to the Government Hospitals under the Chief Minister's Comprehensive Health Insurance Scheme specified in the G.O first read above as follows:

Sl. No.	Items of reimbursement	Existing pattern	Proposed pattern
1.	Incentive to Medical Team 15%	15%	15%
2.	Consumables	50%	50%
3.	Hospital Up gradation	22.5%	20%
4.	Corpus Fund	12.5%	15%

3. The Project Director has now stated that out of the total corpus fund amount of Rs.47.24 crores accrued as on 30.05.2014 (corpus fund Rs.10 crores + 12.5% deduction from Government Hospitals Rs.37.24 crores), a sum of Rs.40.44 crores has been spent for the expenditure of specialized surgeries performed under CMCHIS. The balance amount to be paid for the surgeries approved comes around to Rs.39.19 crores. Hence the funds available in the corpus fund is not sufficient to meet the present expenditure. The Project Director, Tamil Nadu Health Systems Project has further stated that even if the sharing pattern is revised at the rate of 20%, only one crore is additionally accruing monthly in the corpus fund which will not come up for the monthly expenditure which comes approximately to around Rs. 5 crores.

4. Therefore, this increase in sharing pattern is not sorting out further requirement of funds to corpus fund. Since the cases for the specialized surgeries are increasing day by day, the Project Director, Tamil Nadu Health Systems Project has proposed that the sharing pattern of reimbursement accruing to Government Hospitals under Chief Minister's Comprehensive Health Insurance Scheme specified in G.O fourth read above, may be revised from 15% to 20% as follows instead of the existing pattern:

Existing Pattern	Proposed (to be revised pattern)
1. Incentive to medical team 15%	Incentive to medical team 15%
2. Consumables 50%	Consumables 45%
3. Hospital Up gradation 20%	Hospital Up gradation 20%
4. Corpus Fund 15%	Corpus Fund 20%

p. b. o.

5. The Government after careful examination, have decided to accept the request of the Project Director, Tamil Nadu Health Systems Project, Accordingly, the sharing pattern of reimbursement accruing to the Government Hospitals under Chief Minister's Comprehensive Health Insurance Scheme specified in G.O fourth read above, shall be revised as follows instead of the existing pattern:

Existing Pattern	Revised
1. Incentive to medical team 15%	Incentive to medical team 15%
2. Consumables 50%	Consumables 45%
3. Hospital Up gradation 20%	Hospital Up gradation 20%
4. Corpus Fund 15%	Corpus Fund 20%

The Project Director, Tamil Nadu Health Systems Project is also directed to make the fund flow of arriving at suitable arrangements with hospitals at concessional rates, accordingly.

6. This order issues with the concurrence of Finance Department vide its U.O. No.52671/H-II/2014, dated:08.10.2014
