From the Mission Director, National Health Mission, Letter No.6757/P1/NHM/20, dated: 30.07.2021 and 29.10.2021.

### ORDER:

The Mission Director, National Health Mission has stated that, the Government of India has made significant progress in reducing the maternal mortality ratio (MMR) from 556 per lakh in 1990 to 113 per lakh live births in 2016-18 (a decline of 80% compared to the global decline of 45%). India is currently on track to achieve the Sustainable Development Goal 3 (SDG 3) target of MMR below 70 by 2030. In order to achieve Sustainable Development Goal targets, firm implementation of the existing programs is the need of the hour. There is a need to go beyond 'service delivery' to 'assured service delivery'. With that aim, the Government of India has launched "SUMAN - Surakshit Matritva Aashwasan" a multipronged and coordinated policy approach that subsumes all existing initiatives under one umbrella in order to create a comprehensive initiative which goes beyond entitlements and provides a service guarantee for the entitlements. Simultaneously it also underlines the commitment of the Government for addressing the existing inequities in maternal and newborn health care services and move towards zero preventable maternal and newborn deaths. The SUMAN initiative was launched by the Honorable Health Minister on 10th October 2019, at the 13th conclave of the Central Council of Ministers, wherein the Government of India and the State Governments collectively committed to achieve zero preventable maternal and newborn deaths in the country and providing service assurance for maternal and newborn care services.

- 2. The Mission Director, National Health Mission has further stated that, the SUMAN promotes safe pregnancy, childbirth and immediate postpartum care with respect and dignity by translating the entitlements into a service guarantee which is more meaningful to the beneficiaries. He has furnished the objectives of the SUMAN Programme as follows:-
  - Assured, dignified, respectful and quality healthcare at no cost and zero tolerance for denial of services for every woman and newborn visiting the public health facility to end all preventable maternal and newborn deaths and morbidities and provide a positive birthing experience.

- To provide high quality medical, surgical and emergency care services in a dignified and respectful manner as per SUMAN service package at no cost to the beneficiaries.
- To leverage institutional and community-based platforms to help create awareness in the community on the entitlements under SUMAN.
- To strengthen Grievance Redressal Mechanism by incorporating client feedback.
- To orient service providers and build their capacity for delivering SUMAN package.
- To ensure reporting and review of all maternal and infant deaths.
- 3. The Mission Director, National Health Mission has also furnished the components of the SUMAN scheme as follows: -

#### (i). MODE OF DELIVERY:

Provide services by identifying and strengthening facilities to make them SUMAN Compliant.
