### ORDER:

In the letter second read above, the Director of Medical Education has stated that Interventional radiology is a specialized branch of Radiology with expertise to perform the life saving interventional procedures with the radiological guidance like tumor ablation with embolisation of concerned blood vessels and endovascular procedures in peripheral vascular disorder and aneurysm involving aorta and its branches and endovascular neurosurgical procedures which in turn will reduce the morbidity and mortality and also cost effective in terms of reduced number of hospital stay of the patients.

2. The Director of Medical Education has reported that the Director, Tamil Nadu Government Multi Super Speciality Hospital, Omandurar Government Estate, Chennai has submitted a proposal for starting of new Post Graduate Super Speciality course of Diplomate of National Board (DNB) Endovascular & Interventional Radiology with an annual intake of 2 seats from the academic year 2021-2022. Adequate doctors with teaching experience as per National Board of

Examinations guidelines to train the above said DNB post graduate students, along with required infrastructure facility in terms of building, equipment, staff, and patient load are available. As per the Diplomate of National Board regulations, a sum of Rs.2,00,000/- (Rupees Two Lakhs only) towards accreditation fees along with Rs.3,000/- (Rupees three thousand only) towards cost of application form are required.

In addition to the above said fees, Library fees and basic stipend or basic stipend according to State Government policy (whichever is higher) as mentioned below have to be paid to the students:-

<b>Year wise</b>	<b>Stipend</b>
1 <sup>st</sup> Year	41,000
2 <sup>nd</sup> Year	43,000
3 <sup>rd</sup> Year	45,000

3. The Director, Tamil Nadu Government Multi Super Speciality Hospital, Omandurar Government Estate, Chennai has submitted a proposal for sanction of above said fees from National Health Mission fund and the approval of the Project Director is awaited.

4. The Director of Medical Education has therefore requested to issue necessary permission to start new Post Graduate Super Speciality Course of Diplomate of National Board (DNB) Endovascular & Interventional Radiology with an annual intake of 02 seats per year from the academic year 2021-2022, as there is paucity of trained & qualified doctors in the speciality of Interventional Radiology in Tamil Nadu.

5. The Government after careful examination accept the request of the Director of Medical Education and issue orders accordingly as follows:-

- a. Permission to start Diplomate of National Board (DNB) Course in Endovascular & Interventional Radiology at Tamil Nadu Government Multi Super Speciality Hospital with an annual intake of 2 (two) seats from the academic year 2021-2022 .
- b. Permit the students undergoing the said course to get the stipend amount in accordance with G.O(Ms) 307, Health and Family Welfare (MCA2) Department, dated 25.07.2018 .

- c. The Director of Medical Education is directed to meet out all the expenditure (i.e., accreditation fees, cost of application form, library fees and stipend to students) from the National Health Mission fund.
