2. The Director-General of Police / Commissioner of Police, Greater Chennai Police, Chennai, in the letter first read above has stated that the main job of Policemen is to maintain law & order and peace in society; therefore, fitness remains the key factor in their job. Policing is synonymous to working in a challenging and stressful job environment. The various stressors faced by a police personnel include irregular working hours, shift work, duty tours to areas of conflict, away from home for long periods, confronting criminals and dangerous situations, always in a state of alertness even when off duty etc. These stressors affect Police Personnel's life adversely and due to enormous work stress, Police Personnel suffer from different health problems.

3. The Director-General of Police / Commissioner of Police, Greater Chennai Police, Chennai, has also stated that to address the need, Police Hospital at Greater Chennai Police was established in 1963 and it is equipped to treat all kinds of common ailments of policemen apart from testing laboratories and annually 1,95,764 Nos. of Police Personnel are visiting the hospital. He has also stated that the Government has approved the Master Health Check-up for all Personnel and extended the said medical facility to the family member also.

4. The Director-General of Police / Commissioner of Police, Greater Chennai Police, Chennai, has further stated that at present patient medical services accounting and patient history are not available and retrieval of physical record would be very difficult. Integration with other system such as laboratory, nursing, etc., is a problem. If all these medical records are compiled and managed in software, it would be easy to monitor the health of Policemen and their family members effectively. He has therefore proposed to have a Health Management Software.

5. The Director-General of Police / Commissioner of Police, Greater Chennai Police, Chennai, has furnished the rough cost estimates for the proposed Health Management Software as detailed below:-
