ORDER:

In the letter read above, the Joint Managing Director and Project Director (WB and ADB Projects), Tamil Nadu Slum Clearance Board has stated that in response to the proposal submitted by the Housing and Urban Development Department to the World Bank, the World Bank proposes to finance the Tamil Nadu Housing Sector Strengthening Program through the Development Policy Loan of USD 450 million with a first Development Policy Loan of USD 200 million.

2. Development Policy Loan of the World Bank provides rapidly-disbursing budget support to borrower against 'Prior Actions' and 'Triggers' comprised of policy reform and/or institutional actions as per the agreement with the Bank. The establishment of Tamil Nadu Housing Advisory Committee to strengthen coordination, transparency and accountability in the housing sector, is one of the prior actions to be achieved by the Housing and Urban Development Department.

3. The Housing and Urban Development Department formulates and implements various policies, programs and schemes for the housing sector. As the Government of Tamil Nadu shifts to a role as enabler, coordination becomes more important as it will depend on many other sectors or agencies to be able to meet the sector goals. Currently, the Housing and Urban Development Department of the Government of Tamil Nadu has no formal platform that allows formal engagement with key stakeholders on the state of the housing sector and delivery of housing programs.

4. He further stated that to institutionalize a coordination mechanism to bring different stakeholders into the decision-making process,

and to enhance accountability and transparency of the housing sector, formation of the Housing Advisory Committee is required which will serve as an advisory body to the Housing and Urban Development Department, Government of Tamil Nadu to provide advice on the implementation of the proposed Tamil Nadu Urban Housing and Habitat Policy, to address urban housing needs of Tamil Nadu.
