The Honourable Chief Minister of Tamil Nadu has made an announcement on "Formation of By-pass to Sivagangai Town" in the year 2011-12 under Clause 110 in the floor of Legislative Assembly.

2. In the Government Order first read above, the Government accorded Administrative Sanction towards Land Acquisition for the above said work for an amount of Rs.100.00 lakhs.

3. In the letter second read above, the Chief Engineer (Construction and Maintenance), Highways Department has stated that Sivagangai is an important town in Sivagangai District. It is surrounded by important tourist places like Pillayarpatti, Kollangudi, Nattarasankottai Kannudayanagi amman temple, Kalayarkovil Swarnakaleeswarar temple etc., Main economy of the Sivagangai depends upon valuable graphite which are available in and around Sivagangai and Sakthi sugar factory in Padamathur, Sivagangai. Majority of the workforce depends upon agriculture. The vehicles which are carrying passengers, commodities, school children etc from Sivagangai takes NH 226, NH 85, SH 34 to reach Madurai, Ramnad, Thondi, Trichy and Melur get stuck in traffic congestion since the vehicles are passing through heavily builtup area. 4. The proposed By-pass road starts at Km 129/2 and ends at Km 136/430 of Thanjavur – Manamadurai Road (NH-226). The total length of the proposed bypass road is 10.60 Km with two lane with paved shoulder and the total width of carriage way is 10.50 m. The proposed alignment for the bypass crosses railway portion at Km 2/2 and Km 10/2. Hence construction of two Road Over Bridges are proposed in the alignment. Along with it, 92 culverts and junction improvements in 6 places are proposed. The proposed bypass road will boost the economic growth of nearby areas of Sivagangai and it connects important roads such as State Highways Road – Thanjavur – Manamadurai road. (SHU), Cochin – Thondi Road (NH-85), Ramnad – Melur Road (SH-34), Thanjavur – Manamadurai Road (NH-226). The entire length of 10.60 Km of proposed bypass is a new formation.

5.
