#### ORDER:

The Industries Commissioner and Director of Industries and Commerce, has sent proposals for construction of Compound Wall with Barbed Wire fencing and external electrification in Regional Testing Laboratory Madurai and purchase of additional testing equipments under part II Scheme 2009-10.

2. This laboratory is situated in the National Highways without having neighbouring building and close to Mattuthavani Bus Stand. Public are using the path of office way as a short route. Moreover, so many number of snakes are here which intrude this laboratory campus. Similarly, domestic animals enter into this laboratory campus any time. Due to lack of day time watchmen post, the outsiders enter into this campus unwantonly. It creates unnecessary nuisance in this premises. To safeguard the valuable machinaries, to save the life of the staff and to ascertain the self reliance of this laboratory a majestic compound wall with barbed wire fencing convering this entire building and external electrification arrangements are utmost essential.

3.The Turbidity meter with Micro Processor base is very much essential for speedy and accurate testing of water samples for turbidity test. The Scheme has been recommended by the State Planning Commission.

4. The Government have examined the above proposal of Industries Commissioner and Director of Industries and Commerce, carefully and

sanction a sum of Rs. 7.38 lakhs (Rupees seven lakhs and thirty eight thousand only) for construction of Compound Wall with Barbed Wire fencing and external electrification in Regional Testing Laboratory Madurai at Rs. 6.98 lakhs and for purchase of additional testing equipments at Rs. 0.40 lakh under part II Scheme, for the year 2009 -10
