#### Order:

The Principal Secretary/Industries Commissioner and Director of Industries and Commerce has informed that the Institute of Ceramic Technology, Vridhachalam was established in the year 1964 and is offering Diploma in Ceramic Technology course of 3½ years duration. This institute is approved by the AICTE. Sanctioned intake of students for 1 year admission is 50. In the II year, maximum of 10 students can be admitted, including the vacancies in the I year under the Lateral Entry scheme. About 170 students are studying in the Institute and this is the only institution offering Diploma in Ceramic Technology course in the state of Tamil Nadu.

2. Further he has stated that the Institute of Ceramic Technology had the hostel facility since 1968 which attracted students from all the districts of Tamil Nadu as well as from other states, whereas the hostel at present is in highly dilapidated condition. The Institute hostel was constructed in 1968. The hostel was closed due to its poor structural condition in 2008. The students from long distance are finding it difficult to join the course due to the non availability of hostel facilities. In the absence of a good hostel, the Institute is not in a position to attract better students from far off districts as

well as other states. Therefore, it is needed to rebuild / establish a suitable hostel facility for the students of Institute of Ceramic Technology, Vridhachalam.
