Enterprises (D2) Department,
Secretariat, Chennai-9.

Letter No. 9579/D2/2013-3, dated : 24.1.2014

From
Thiru. K. Dhanavel, I.A.S.,
Secretary to Government.

To
The Department Industrial Policy and Promotion,
Government of India,
Ministry of Commerce and Industry,
Udyog Bhavan, New Delhi. (we)

Sir,

Sub : Modified Industrial Infrastructure Upgradation Scheme (MIUS) –
Proposal for Development of Industrial Infrastructure for market

connectivity and efficiency enhancement under MIIUS submitted by M/s. Tamilnadu Chamber Forward Linkage Infra Ltd., Madurai – forwarded - Reg.

Ref : 1. From the Principal Secretary / Industries Commissioner and Director of Industries and Commerce Letter Rc. No. 33411 / CDC / 2013, dated 6.12.2013

2. G.O. (MS) No.4, Micro, Small and Medium Enterprises (D2) Department, dated:24.01.2014

I am to inform that, this Government has nominated Tamil Nadu Small Industries Development Corporation Limited (TANSIDCO) as State Implementing Agency (SIA) for implementation of the projects under Modified Industrial Infrastructure Upgradation Scheme (MIIUS) in the G.O 2nd cited (Copy enclosed).

2. I am also to state that, the Principal Secretary / Industries Commissioner and Director of Industries and Commerce has sent the Detailed Feasibility Report (DFR) for development of Industrial Infrastructure for Market Connectivity and Efficiency Enhancement proposal by M/s. Tamil Nadu Chamber Forward Linkage Infra Limited, Madurai under MIIUS.

3. The project envisages establishment of various Market Connectivity infrastructure that are pivotal in the development of any market economy. A major part of the Project Investment goes toward the Permanent Exhibition and Convention Centre. Apart from the obvious promotion angle, Conferences and Exhibitions also provide an excellent opportunity to connect with the clients and get their valuable feedback, determine market potential, conduct research, assess competition, establish relationships with new agents and distributors, and initiating joint ventures and partnerships. Invariably, investments by either the Government or the private sector in the MICE (Meetings, Incentives, Conferences and Exhibitions) segment stimulate development in the overall economy especially in the hospitality sector. The site for this project has already been identified and will be either purchased or taken on long lease as required.

4. The site is located in the Nilaiyur village in Madurai district on the Madurai-Tirumangalam Road, off NH7. The site is located in the suburb of the Madurai and is around 14 kms from the centre of Madurai city. The total project cost of the above project is Rs.9,479/- lakhs. The State Government contribution is Rs.2203 lakhs which is 25% of the project cost. This project is expected to generate employment for around 50,000 people over first seven years. It is estimated that as an effect of such infrastructure, the revenue is expected to grow by an average of 10-15% of the overall industries.

5. The Principal Secretary / Industries Commissioner and Director of Industries and Commerce has therefore requested the Government to forward the DFR for development of Industrial Infrastructure for Market Connectivity and Efficiency Enhancement at Madurai to the Government of India for approval of DFR.

6. I am, therefore, to forward the DFR for development of Industrial Infrastructure for Market Connectivity and Efficiency Enhancement at Madurai prepared by M/s. Tamil Nadu Chamber Forward Linkage Infra Limited, Madurai for approval, The decision in this regard may be sent to this Government early.

Yours faithfully,

for **SECRETARY TO GOVERNMENT**
