- 2) G.O.(D) No.76, Industries (MME2) Department, dated 30.3.2000.

ORDER:

In the Government Order first read above, a separate Corporation viz. TANGRAPH was ordered to be set up with its Registered Office at Sivagangai to promote value added Industries based on the beneficiated graphite. TANGRAPH was registered as a separate company on 19.3.1997 under the Companies Act, 1956.

2. On 19.1.1999, the Board of Directors of TANGRAPH considering the extremely limited scale of activity in the company had concluded that there was no need for a separate company for this purpose and passed the resolution and recommended to the Government that TANGRAPH be merged with TAMIN and that TAMIN could take up the graphite based project promotional activities as part of its existing operations of graphite mining and beneficiation. The Managing Director, TANGRAPH has requested orders of Government in this regard. During the Board meeting held on 22.11.2000, the Board of TAMIN has decided to accept the proposal of merger of TANGRAPH with TAMIN and to recommend the proposal to Government for acceptance.

3. The Secretaries Committee on Public Enterprises (SCOPE) in its meeting held on 17.11.2003 has also recommended the merger of TANGRAPH with TAMIN.

4. The Government after due examination, have decided to accept the proposals of TANGRAPH and TAMIN and direct that the TANGRAPH be merged with TAMIN.

5. The modalities for merger will be worked out by TAMIN in consultation with TANGRAPH. Government also direct that in addition to its existing operation of graphite mining and beneficiation, TAMIN shall also take effective steps for implementing value added Industrial projects based on graphite.
