Read:

1. G.O. (D) No.67, Micro, Small and Medium Enterprises (G) Department, dated 21.05.2018.
2. Government letter No.5345/G/2020-2, MSME, dated 08.10.2020.
3. From the Industries Commissioner and Director of Industries and Commerce letter Rc.No.11916/EL1/ 2020, dated 26.03.2021

ORDER:

In the Government Order first read above, the Government have enhanced the test charges for the products being tested at Central Electrical Testing Laboratory (CETL), Kakkalur by 5% over and above the charges levied during the period of 2014-2017 rounded to the next hundred rupees for three years starting from 01.10.2017 to 30.09.2020.

2. In the Government letter second read above, the Industries Commissioner and Director of Industries and Commerce was instructed to continue the current test charges until issue of orders for revised test charges.

3. In the letter third read above, the Industries Commissioner and Director of Industries and Commerce has stated that based on the inputs from the Deputy Director (E&E), Central Electrical Testing Laboratory, Kakkalur, the Costing Cell Section of the Department has worked out the cost per test for 39 NABL accredited products with and without salaries of the Lab Technicians.

4. The Industries Commissioner and Director of Industries and Commerce has requested the Government to revise the test charges for the products being tested at Central Electrical Testing Laboratory (CETL), Kakkalur for a period of three years from the date of issue of order on the followings:-

- i. Downward revision @ 30% from the test charges being levied at present (01.10.2017 to 30.09.2020) on-par with the charges levied by MSME Testing Centre's of Government of India, and

- ii. To encourage the returning of customers to avail the services of CETL with competitive rates and to secure more number of samples an additional 10% discount in-line with the discount offered by the MSME Testing Centres of Government of India, may be provided.

5. The Government after careful examination have decided to accept the proposal of the Industries Commissioner and Director of Industries and Commerce and accordingly revise the testing charges, as in the annexure to this order, for the 39 NABL accredited Electrical Products tested at Central Electrical Testing Laboratory, Kakkalur, for a period of 3 years from the date of issue of Government orders by considering the following aspects: -

- a) Downward revision of the testing charges @ 30% being levied at present i.e., from 01.10.2017 to 30.09.2020 for the 7 out of 39 products. (i.e., serial number 1,2,4,12,18,19 and 37 in annexure).
- b) The testing charges are matched with the testing charges being levied by MSME Labs, Government of India for the 3 out of 39 products. (i.e., serial number 7, 22 and 28 in annexure).
- c) The retention of present testing charges for the remaining 29 out of 39 products.
- d) Retention of Miscellaneous charges, and
- e) Additional 10% discount is allowed to the repeat customers, who utilise the services of CETL, Kakkalur for more than once in a year, irrespective of product.

6. This order issues with the concurrence of Finance Department vide its U.O. No.35924/Finance (Industries)/ 2021, dated 29.09.2021.
