### ORDER: -

The Hon'ble Finance Minister of Tamil Nadu has made the following announcement in the floor of Assembly on 13<sup>th</sup> April, 2021 while presenting the budget for the year 2021-22.

***“Under Muthamizharignar Kalaigarnar’s leadership, Tamil Nadu was the model State in the country for provision of concrete roofed houses for the rural poor. It is unfortunate that during 2020-21, no new houses were taken up for construction in Tamil Nadu under the Pradhan Mantri Awaas Yojana (Gramin). .....***

***This Government will ensure that all the incomplete houses are taken up and completed at the earliest. In 2021-22 a further 2,89,887 houses at a total cost of Rs.8,017.41 crore will be taken up for construction. This Government will ensure that 8,03,924 houseless families in rural areas are provided a house in the next 5 years. With a provision of an additional Rs.70,000 per house from the State Government’s side in addition to the existing roofing cost of Rs.50,000, the unit cost has been raised to Rs.2.76 lakh per house. The Government will encourage adoption of***

***modern low cost construction techniques on a large scale to ensure speedy, affordable construction for the poorest beneficiaries. In the Revised Budget Estimates for 2021-22, Rs.3,548 crore has been provided for the rural housing scheme.”***
