### **ORDER:-**

The Tamil Nadu Textbook and Educational Services Corporation fixes the price of textbooks for the sale copy which is made available to private schools.

2. In the G.O 1<sup>st</sup> read above, the Government have issued orders fixing the sale copy at a price of Rs.85/- per book for all titles of X Standard textbooks for the academic year 2013-2014.

3. In the G.O 2<sup>nd</sup> read above, the Government have issued orders fixing the price of sale copy of text books for the standards I to IX (Trimester) in the academic year 2013-2014.

4. In the letter 3<sup>rd</sup> read above, the Managing Director, Tamil Nadu Textbook and Educational Services Corporation has stated that the cost of production of textbooks for standards I to XII is dependent on the cost of the raw materials namely, Paper Board, Craft and Printing charges, selling expenses, reserve obsolescence, discount and administrative expenses etc. Based on the cost of production, the sale price of the textbooks are fixed and made available as priced copies for the students of private schools studying in Standards I to XII. The prices of the textbooks for Standard I to IX indicates the price fixed for the books per term, as the textbooks are issued for every term due to the trimester pattern. However, the prices for the textbooks for X, XI and XII and the tamil textbooks for CBSE Schools are for the annual copy, as they do not adhere to the trimester pattern.

5. After careful examination, the Government accept the proposal of the Managing Director, Tamil Nadu Text Book and Educational Services Corporation and accordingly fix the sale price of the text books for the standards I to IX (Trimester) and for standards X to XII (Annual) for the academic year 2015-2016 as follows:-
