**ORDER:**

The Government with the assistance of NABARD is providing infrastructure facilities such as Class rooms, Science Labs, Toilets, Drinking Water facilities, Compound Walls, necessary furniture and Science Lab Equipments for the Government High Schools and Higher Secondary Schools through Public Works Department. The scheme is implemented in the ratio of 85:15 by the NABARD and the State Government respectively.

2. The Project Approval Board of Ministry of Human Resource Development, Government of India, New Delhi has approved the proposal for the construction of 710 new School Buildings, sufficient number of Additional Classrooms, Science Laboratories, Teachers Quarters, etc., during the year 2011-12 at a cost of Rs.675.06 crore in the sharing pattern of 75:25, between Government of India and Government of Tamil Nadu respectively under RMSA Scheme. During the year 2013-14 as instructed by MHRD the Project Approval Board revised its previous sanction to 552 schools and the balance 158 schools were to be met out from the State's fund.

3. The Project Director, RMSA has stated that all the 710 schools are functioning since the beginning of the academic year 2011-12 in the State. Inadequate release of funds from Government of India which is not commensurate with the State schedule of rate caused a slow progress of previously sanctioned works and this resulted in the non-release of any fund from Government of India for the works sanctioned during the year 2011-12. With the regular functioning of all the new schools sanctioned during the year 2011-12, it is imperative to provide new school building and necessary lab

equipments, computer room etc., for the left out 158 schools also. As per the scheduled rate of Public Works Department for the year 2015-2016 the total amount required for the construction of all these 149 schools in Rural areas is worked out to Rs.25192.19 lakh including furniture cost of Rs.8 lakh for two section school building and has requested to provide necessary financial sanction of Rs.25192.19 lakh for the construction of 149 school buildings in Rural areas for High schools upgraded during 2011-12.

4. This department had proposed to obtain financial assistance from NABARD to the tune of Rs.25192.19 lakh for construction of 149 Government High School building upgraded during 2011-12 including furniture cost of Rs.8.00 lakhs in rural areas which was cancelled by Project Approval Board for RMSA in 2013-14. The proposal was forwarded to NABARD for its assistance under RIDF XXI for the year 2015-16.

5. In the letter 1<sup>st</sup> read above, the Deputy General Manager, NABARD has informed that the RIDF Project Sanctioning Committee (PSC) in its 156<sup>th</sup> meeting held on 13.07.2016 had sanctioned the amount as follows as RIDF loan to Government of Tamil Nadu in respect of School Education Department.
