Regular Training:-

- Refresher Training to Anganwadi Workers and Anganwadi Helpers:-
 - ❖ The Refresher Training is a regular and routine in the pattern of Training strategy. It would be need based and focused to update their existing knowledge, skill and attitude and shall be necessary for bringing an attitudinal change and behavioural changes among themselves and in the community thus proving themselves as good social change agent. The Refresher Training would be given to Anganwadi Workers and Anganwadi Helpers who have completed two years after the Job Training periodically.
 - ❖ The Refresher Training programme to the Anganwadi Workers and Helpers will be organized at the project level by the Grade-I Supervisor simultaneously in all the Projects as Tamil Nadu have a decentralized pattern of Training and also this is a Non residential programme.

Newly Identified 5 District Offices as Regional Training Centres:-

In Tamilnadu, Anganwadi Training Centres does not exist in operation. At district level, District training team consists of 4 members who act as a good support and facilitate to the Block/ Project Trainers. These teams supervise the training at the project level and guide the trainers and they also go to the field and do the follow up visit to Anganwadi Centre.

Mobile Training Team:-

There are 2 Mobile Training Teams available in Tamilnadu viz., in Chennai and Kancheepuram Districts. Each Mobile Training Team has 3 Instructors to carry out the work of the Block/Project trainers wherever no Block/Project level trainers are available.

Block / Project Level:-

Every Block/ Project has a trainer. Most of the trainers have been working since Tamilnadu Integrated Nutrition Project –I and were recruited exclusively for the project. They have rich experience in the field of Nutrition, Health, Child Development etc. The unique feature is that these trainers conduct all the field training, visit centre, provide guidance on the spot to the workers and helpers.

As there is no Anganwadi Training Centres in Tamilnadu, the Job and Refresher Training to grass root level functionaries are being under taken by the Project Level Trainers in order to create a conducive atmosphere for learning, Creation of Regional Level Training Centre is essential. In this regard, in Tamil Nadu, five District Programme Offices have been identified as Regional Training Centres viz. Chennai, Coimbatore, Madurai, Trichirapalli and Tirunelveli. To establish essential infrastructure like, furniture, furnishing class rooms and audio visual aids like Projector, Laptop, Flannel Board, White Board etc., an amount of ₹ 12.50 lakh to be provided for the newly identified Regional Level Training Centres @ ₹ 2.50 lakh per district.

10. The Director, Integrated Child Development Services Scheme has restricted the proposal to the actual working days and not for the duration so as to avoid surrender of funds because of decentralized pattern of training which do not require too much funds for TA/DA to the trainees and the total amount worked out as ₹ 3,31,01,000 towards imparting Refresher Training to Anganwadi Workers and Anganwadi Helpers under Regular Training programmes and other training programmes of State Training Action Plan (STRAP).
