திருவள்ளூர் ஆண்டு 2053

Read:-

1. G.O. (Ms) No.140, Public Works (WR1) Department, dated 22.5.2018.
2. G.O (Ms.) No.142, Public Works (WR1) Department, dated 07.10.2021
3. From the Engineer-in-Chief and Chief Engineer (General), Water Resources Department, Chennai Letter No. TNIAMP/F-155/Phase IV/2019, dated 6.4.2022.

ORDER:

In the Government Order first read above, block administrative sanction has been accorded for a sum of Rs.2962 crore (455.80 million US Dollar including the fund assistance of 318 million US Dollar from the World Bank at the exchange rate of Rs.64.98 per US Dollar) for Tamil Nadu Irrigated Agriculture Modernization Project (TN IAMP) with a project period of 7 years from 2017 to 2024.

2. Hon'ble Minister (Finance and Human Resources Management) has announced in the Budget speech for RBE 2021-2022 that phase III and phase IV of TNIAMP with World Bank assistance will be implemented.

3. Accordingly, in the Government Order second read above, Administrative Sanction has been accorded for a sum Rs.189.8089 crore for the works including Environmental and Ground Water Component for 25 Packages of 9 Sub Basins of phase-III under World Bank assisted TN IAMP.

4. In the letter 3rd read above, the Engineer-in-Chief and Chief Engineer (General), Water Resources Department, has stated that in this project, implementation of Rehabilitation and Modernization of System tanks, Non-system tanks, Anicuts, Rivers and Supply channels in 66 Sub Basins covering an extent of 5.43 lakh hectare was planned to carry out in a phased manner in order to improve their performance thereby to increase the

commandability of ayacut and food production under sub component A2-Irrigation Systems Modernization for an amount of Rs.2131.34 crore.

5. He has also stated that out of 66 Sub basins under TNIAMP, 43 Sub basins have been taken up for implementation under Phase I, II & III, for a total ayacut of 3.99 lakh hectare. The balance 23 Sub basins have been dropped from TNIAMP, based on the reasons such as urbanization, adverse Environmental issues, no interdepartmental activities, implemented in some other schemes, etc. Hence in order to cover the balance 1.44 lakh hectare (5.43 lakh hectare-3.99 lakh hectare), rehabilitation works as additional proposals in the already implemented Sub basins under TNIAMWARM and TNIAMP were presented in a nutshell to the World Bank team for obtaining approval, during the 5th Implementation Support Mission held from 21st to 23rd September 2020. Accordingly, In-Principle approval of the World Bank was obtained for the implementation of the proposals in the already implemented Sub basins under TNIAMWARM and TNIAMP under Phase IV of TNIAMP and was mentioned in the Aide Memoire of the 5th Mission of the World Bank as follows:-

“The Bank agreed to extend the support to include additional works proposed under Phase-1 and Phase-2 sub-basins as well as sub-basins other than those currently proposed under project, subject to sound financial, technical and economic feasibilities”.

6. He also stated that 10 Sub basins were proposed for implementation under Phase IV, which consists of 6 TNIAMP sub basins and 4 TNIAMWARM Project sub basins. The Principal Secretary and Project Director, MDPU, TNIAMP was requested to obtain approval of the World Bank to take up rehabilitation work components proposed in the following 10 Sub basins under Phase IV of TNIAMP:-

- 1) Lower Vellar
- 2) Thuringalar
- 3) Poiney
- 4) Lower Coleroon
- 5) Cauvery Delta
- 6) Nandhiyar Kulaiyar
- 7) Sathaiyar
- 8) Therkkar
- 9) Lower Vaigai
- 10) Aliyar.

Accordingly, the World Bank on 8.11.2021 has given approval for list of sub basins and works under Phase IV. Hence, Detailed Project Reports (DPRs) for 10 Sub Basins (9 DPRs + 1 estimate for Lower Coleroon Sub basin) under Phase-IV were prepared based on the Schedule of Rates for the year 2021-2022 for an amount of Rs.604.39 crore, covering an ayacut of 1.423 lakh ha. as per the current requirement. The Detailed Project Reports of 10 Sub basins were placed in the Technical Committee constituted for additional proposals and the Committee had recommended to send the DPRs to the World Bank for obtaining clearance. The Detailed Project Reports of the 10 sub basins were sent to the Principal Secretary and Project Director, MDPU, TNIAMP for obtaining necessary approval of World Bank. During the 6th Implementation and Mid-Term Review Support Mission held during September 27-October 15, 2021, it was informed to the World Bank that an additional cost of Rs.167.75 crore is required for component A2 of TNIAMP i.e., Irrigation System Modernization. The World Bank accepted the request for additional funds and mentioned in the Aide Memoire of 6th Implementation and Mid-Term Review Support Mission held during September 27-October 15, 2021, that there are savings from devaluation of rupee value

against USD and the remaining US\$-INR exchange rate savings could be used to undertake the additional works. However, the Bank informed that the use of such savings has to be agreed between the State and Department of Economic Affairs (DEA).

7. He has also stated that No Objection Certificate (NOC) for the estimate of Lower Coleroon Sub Basin and Detailed Project Reports of Lower Vaigai, Lower Vellar, Therkkar, Sathaiyar, Thurinjalar, Aliyar and Poiney sub basins have been received from the World Bank. For the remaining 2 Sub basins viz., Cauvery Delta and Nandhiyar Kulaiyar Sub basins action is being taken separately. The total cost of "Rehabilitation of the System Tanks, Non System Tanks, Anicuts, Supply channels and Canals including Environmental Component, L.S. provision at 3.5%, GST at 12% and On Farm Development (OFD) Works comprising of 21 packages in 8 sub-basins work out to Rs.272.18 crore, covering 0.64 lakh hectare. The detailed estimates of the packages have been prepared based on the Schedule of Rates for the year 2021-2022. The Ayacut and Cost details of the 8 Sub basins are as follows:-

Sl. No.	Region	Sub basin	Ayacut (Ha)	No. of Packages	Estimate (Rs. in Lakh)
1	Chennai	Lower Vellar	9700.97	2	4650.00
2		Thurinjalar	1916.96	2	729.00
3		Poiney	8814.96	2	1950.00
4		Lower Coleroon*	-	1	642.00
Sub Total			20432.89	7	7971.00
5	Madurai	Sathaiyar	15837.44	5	7218.00
6		Therkkar	7870.00	4	3300.00
7		Lower Vaigai	12639.00	3	5306.66
Sub Total			36346.44	12	15824.66
8	Coimbatore	Aliyar	7350.10	2	3422.00
Sub Total			7350.10	2	3422.00
GRAND TOTAL			64129.43	21	27217.66
*In Lower Coleroon Sub basin, Veeranam tank has already been taken up under Phase II of TNIAMP. Now, it is proposed to provide Water Bound Macadam (WBM) road on top of foreshore bund of the tank from LS 0 M to 30650 M.					

8. The Engineer-in-Chief and Chief Engineer (General), Water Resources Department, Chennai has therefore requested the Government to accord Administrative sanction for a sum of Rs.272.18 crore to take up works for 21 packages in 8 sub basins viz.,

Lower Vellar, Thuringalar, Poiney, Lower Coleroon, Sathaiyar, Therkkar, Lower Vaigai and Aliyar sub basin under Phase IV of World Bank assisted TNIAMP.

9. The Government after consideration, have decided to accept the proposal of the Engineer-in-Chief and Chief Engineer (General), Water Resources Department, Chennai and hereby accord Administrative sanction for a sum of Rs.272.18 crore (Rupees Two hundred seventy two crore and eighteen lakhs only) to take up works for 21 packages in 8 sub basins viz., Lower Vellar, Thuringalar, Poiney, Lower Coleroon, Sathaiyar, Therkkar, Lower Vaigai and Aliyar sub basin under Phase IV of World Bank assisted TNIAMP, as detailed in Annexure to this order. Out of Rs.272.18 crore, Financial Sanction of Rs.37,79,30,000/- is accorded for the current Financial Year 2022-2023 and a sum of Rs.94,42,00,000/- is accorded for next Financial Year 2023-2024 and balance amount will be released based on the progress of works.

10. The Engineer-in-Chief and Chief Engineer (General), Water Resources Department, Chennai is the Estimating, Reconciling and Controlling Authority for the new Head of Account "4701-04-800-PA and 4702-00-800-PY." The Pay and Accounts Officer/ Treasury Officer concerned are directed to open the above new Head of Account in their books.

11. The expenditure sanctioned in para 9 above shall constitute an item of "New Services" and the approval of the Legislature shall be obtained in due course. Pending approval of the Legislature, the expenditure may be met by drawl of an advance from the Contingency Fund. Orders regarding which will be issued by Finance (BG-I) Department Separately. The Engineer-in-Chief and Chief Engineer (General), Water Resources Department, Chennai is directed to send necessary proposals to Government in Finance (BG-I) Department directly in Form 'A' appended to the Tamil Nadu Contingency Fund Rules, 1963 along with a copy of this order for sanction of an advance from the Contingency Fund. He is also directed to send necessary explanatory notes for inclusion of the above expenditure in the Supplementary Estimate 2022-2023 to Finance (PW-II/ BG-I) Department at an appropriate time.

12. This order issues with the concurrence of the Finance Department vide its U.O.No.81/ADS(PW)/PW-II/2022 dated 09.11.2022 and Additional Sanction Ledger No. 1738 (One thousand seven hundred and thirty eight) (IFHRMS ASL .No.2022111738).
