TRIBAL WELFARE

Introduction

The Directorate of Tribal Welfare was bifurcated from the Directorate of Adi Dravidar and Tribal Welfare Department with full financial and administrative control from 01.04.2018. The Government of Tamil Nadu is paying special attention for the development of tribal people in 23 Districts where Scheduled Tribes population is more. The prime objective of the Government is overall improvement of Education, Health and Socio Economic status of tribes and also to reduce the gap between tribes and non tribes. Basic needs like provision of drinking water, link roads to the tribal villages, construction of houses and other infrastructural requirements are given special focus.

According to 2011 census, the Scheduled Tribes constitute 1.17% of the total population of Tamil Nadu. In Tamilnadu, **Tribal Sub Plan** has been implemented since **1976-1977**. It is a part of State's annual plan and constitutes about 1.1% of the annual plan in proportion with the population of scheduled tribes in the State. Under Tribal Sub Plan, all departments allocate funds to implement schemes for tribal welfare, infrastructure improvement of tribal areas, and to create livelihood opportunity for tribals. Tribal Sub Plan ensures that resources spent for the benefit of scheduled tribes is atleast in proportion to their population.

The Government have identified 10 **Integrated Tribal Development Programme (I.T.D.P)** areas covering 7 Districts Viz., Salem (Yercaud, Pachamalai, Aranuthumalai and Kalrayan Hills), Namakkal (Kolli Hills), Villupuram (Kalrayan Hills), Tiruvannamalai (Jawadhu Hills), Tiruchirapalli (Pachamalai Hills), Dharmapuri (Sittheri Hills) and Thirupattur (Jawadhu and Yelagiri hills) where Tribal population is 50% or more than the total population to implement all the tribal welfare Schemes.

Out of the 37 Tribal communities in Tamilnadu, 6 Tribal Communities i.e. Toda, Kota, Kurumbas, Irular, Paniyan and Kattunayakan are classified as

Particularly Vulnerable Tribal Groups (PVTGs). Centrally sponsored schemes such as Pradhan Mantri Aadi Adrash Gram Yojana, Assistance under Article 275 (1) of the Constitution of India, Development of PVTG's, Vandhan Vikas Kendra and Minimum Support Price for Minor Forest Produce scheme(MSP to MFP).

Further State scheme such as Comprehensive Tribal Development Programme, Basic infrastructure facilities, Construction of Houses, Fast Track Power supply, Road works, improvement of infrastructure in Government Tribal Residential Schools, provision of drinking water facilities, economic development schemes and training skills are implemented.

Tribal Research Centre(TRC) was established in the year 1985 with the assistance of Government of India at Muthorai Palada, Udthagamandalam in the Nilgiris District, for data collection about the Tribes and to conduct necessary research about their life style, culture, language and socio economic and educational status. A Director, who is specialized in Anthropology is heading TRC. A Library and a Tribal Museum have been setup in which the tribal and photographs artifacts on the life style of the tribes are displayed.
