Therefore the Adi Dravidars constitute 20.01% and Tribals constitute 1.10% of the total population in Tamil Nadu. The majority of the Adi Dravidars / Tribal population are economically backward and socially marginalised. Most of the families lack resources and access to education, employment and other income-earning opportunities are limited. The literacy level of the Adi Dravidars is only 73.26 % and that of Tribal is 54.34 %, which is much lower, compared to the State's overall literacy level of 80.09 %.

2. The Directorate of Adi Dravidar Welfare, with the support of Government of India and the State Government implements various welfare schemes for the benefit of the Adi Dravidars. Whereas the Directorate of Tribal Welfare is looking after the schemes implemented for the benefit of the Tribal people in the State.

Welfare Programmes

3. The Government of Tamil Nadu implements several welfare programmes for the socio-economic and educational development of the Adi Dravidars and Tribals in the State. The objectives of these programmes is to facilitate faster socio-economic and educational development of the Adi Dravidars/ Tribals so as to end their social seclusion and economic deprivation and also to speed up the process of integrating them with the national main stream. All the sectoral departments earmark specific allocations for the benefit of the Adi Dravidars / Tribals from their regular planned programmes allocations as per the guidelines of the Government of India under the "Scheduled Castes Sub Plan", which is being supplemented with **Special Central Assistance**, funded from the Government of India for various sectoral schemes. In the case of Tribal Welfare, similar **Tribal Sub Plan** of different departments are being prepared. Additional Grants-in-aid are sanctioned every year for providing infrastructure facilities in Tribal areas by the Government of India under Article 275(1) of the Constitution of India.

Among various social sector programmes implemented by the Adi Dravidar and Tribal Welfare Department, education occupies the prime place as it reforms the society at greater level. Besides this, various other welfare programmes like distribution of house site pattas and construction of houses and provision of basic amenities like roads, street lights, supply of drinking water, burial ground and pathway to burial ground etc. are also taken up as part of the social development programmes. TAHDCO implements these economic development programmes in addition to the regular economic development programmes implemented by various sectoral departments for the benefit of the Adi Dravidars / Tribals in the State. The economic development programmes implemented through TAHDCO are primarily of three categories namely 1) Micro enterprises development for the poor families 2) Vocational job-oriented skill training programmes and 3) Individual entrepreneur schemes which are supported by appropriate training and subsidy programmes.

CHAPTER III

WELFARE PROGRAMMES

1. EDUCATION

Literacy level is one of the main indicators of socio economic condition of the society and the relative employment opportunities largely depend upon this criteria. There is a considerable gap in literacy level of the Adi Dravidars and Tribal people with that of overall literacy level. In Tamilnadu, the general literacy level is 80.09% as per 2011 census. However, the corresponding level of literacy among the Adi Dravidar is 73.26% and that of the Tribal people is 54.34% only. The gap in the female literacy is still more glaring, reflecting the high level of illiteracy and dropouts among the Adi Dravidar and Tribal Girls. Therefore, the Government of Tamilnadu has been providing greater importance for the implementation of schemes promoting education among the Adi Dravidars and the Tribals particularly among the girl children. Several measures which are taken up by the state government are mentioned below :

A . SCHOOLS

1. Opening and Maintenance of Schools

1125 Adi Dravidar Welfare schools, 304 Tribal Welfare schools and 2 Ekalavya Model Residential schools are run by this department (as indicated in the **Statement I(A), I(B) & II**). Most of these schools are functioning predominantly in and near the Adi Dravidar and Tribal habitations.

Sl.No.	Classification of Schools	No. of Schools	No. of Students
1.	Adi Dravidar Welfare Schools	1,125	1,23,147
2.	Government Tribal Residential Schools (including 2 Ekalavya Model Residential Schools)	306	30,933
TOTAL		1,431	1,54,080

2. Upgrading the merit of Scheduled Castes / Scheduled Tribes students

The Scheduled Castes / Scheduled Tribes students who have scored highest marks in X standard are unable to get admission in XI standard in reputed private schools. With a view to make them compete more effectively for admission to the Professional courses, the Government has ordered to upgrade the merit of Scheduled Castes / Scheduled Tribes students who studied in Government / Corporation / Municipal / Government Adi Dravidar Welfare / Government Tribal Residential schools by admitting them in reputed private schools. Under this scheme, 10 students whose parental annual income is below Rs.1 lakh have been selected in each district and admitted in +1 in reputed private schools. A total cost of Rs.180 lakhs at the rate of Rs.56,000/- per student has been sanctioned for two years.

During the year 2014-2015, a sum of Rs. 118.03 lakhs has been spent and 278 students were admitted in +2 and 284 students were admitted in +1.

3. Admitting students in VI Std in reputed schools

The Government has formulated a unique scheme of admitting the bright students from Adi Dravidar / Scheduled Tribes / Scheduled Caste converted to Christianity Students studying in 5th Std in Government / Government Aided / Adi Dravidar Welfare / Government Tribal Residential Schools, in the reputed residential schools in 6th Std and to allow them to continue their studies till 12th Std, by meeting the entire expenses by the Government.

Under this scheme the Adi Dravidar / Scheduled Tribes / Scheduled Caste converted to Christianity Students studying in 5th Std in Adi Dravidar Welfare / GTR / Government Schools and Aided Schools are selected on merit from each block by conducting special test. The process of selecting the bright students from all the 385 blocks and admitting them in the reputed schools have been completed for the year 2014-15. This scheme is extended for 2015-16 and students are admitted in all districts.

4. Filling the posts of Teachers

The Secondary Grade Teachers vacant post are filled up by direct recruitment. The BT Assistant & PG Assistant vacant posts are filled up by adopting the method of 50% by promotion and balance 50% by Teachers Recruitment Board and placed in Adi Dravidar Welfare schools.

5. Upgradation of Schools

It is necessary to provide facilities for higher education nearer to the habitations of the Adi Dravidars and the Tribals. Keeping this in mind, the schools in this department are upgraded to their next stages in a phased manner depending on the need and availability of funds.

6. Construction and Maintenance of School Buildings

Out of 1125 Adi Dravidar Welfare schools, only 5 schools are functioning in Private buildings and one school is functioning in the Adi Dravidar Welfare Hostel Building, whereas all the 306 GTR Schools are functioning in Government buildings. In many schools, classroom facilities are inadequate. New buildings, additional class rooms with all facilities are being constructed in a phased manner. During 2011-2012, 16 additional class rooms and 16 Lab buildings were sanctioned at Rs.313.60 lakhs to the newly upgraded 8 High schools / 8 Higher Secondary schools and the works have been entrusted to TAHDCO.

During the year 2011-2012 a sum of Rs.38.95 crores was sanctioned for the construction of Toilet Blocks in 779 ADW Schools at a cost of Rs.5 lakhs per school. Out of this Rs.2076 lakhs was released to TAHDCO as a second installment during 2012-13. Rs.1819 lakhs was released to TAHDCO during 2013-2014, and Rs.2098.80 lakhs was released to TAHDCO during the year 2014-2015 for School facilities.

7. Incentive to Adi Dravidar and Tribal Girls

Under this scheme, the Government is giving a sum of Rs.50/- per month to each student as incentive for 10 months of the year. Totally, Rs.500/- has been given as one lump sum to the Adi Dravidar and Tribal girls, who are studying in Standards III to V. During the year 2015-16, a sum of Rs.1700 lakhs has been provided.

Similarly in the entire state, Scheduled Castes / Scheduled Tribes girls who are continuing their education beyond VI Standard are given a sum of Rs.100/- each p.m. for 10 months. A sum of Rs.3811 lakhs has been provided in the year 2015-16 to implement the above scheme for VI to VIII Std. This scheme was implemented by TAHDCO upto 1999-2000.
