CITIZEN CHARTER
FOREWORD

Consequent of renaming the Department as Agriculture & Farmers Welfare Department, the State Government is taking many key initiatives for safeguarding the welfare of farming community and economic development of Tamil Nadu. As decided by the **Hon'ble Chief Minister of Tamil Nadu**, an exclusive Agriculture Budget has been presented for the first time in the history of the Tamil Nadu Legislative Assembly after having detailed Consultative Discussion with farmers, representatives of Farmers Associations, traders, exporters, scientists, experts and other stakeholders.

To mention a few important schemes, Kalaigharin Anaithu Grama Orunginaintha Velaan Valarchi Thittam, Chief Minister's Dry land Development Mission, Organic Farming Development Scheme, Traditional Paddy Varieties Conservation Mission, Palmyra Development Mission, Millets Mission, enhancement of procurement price for paddy, declaration of Special Production incentive for Sugarcane, Chief Minister's Nutritive Vegetable Garden Scheme, Chief Minister's Scheme of Solar Powered Pumpsets, Electric motor pumpsets with subsidy, Renovation of existing Uzhavar Sandhais and establishment of new Uzhavar Sandhais etc., announced in this Agriculture Budget are very much appreciated by all farmers.

The Government of Tamil Nadu has solemnly taken a decision to implement all these schemes in a very transparent manner. The beneficiaries are selected through Uzhavan mobile app and monitored to ensure that benefits reach the targeted farmers.

In this regard, a **Citizen Charter, 2021-22** has been drafted encompassing the schemes implemented by Department of Agriculture & Farmers Welfare. This Citizen Charter is also made available in the Government website for easy access.

I fervently hope that this Citizen Charter is immensely useful for farmers who are in need of Government assistance for increasing the area and production and augmenting their standard of living.
