PERFORMANCE BUDGET 2015-2016

BACKWARD CLASSES, MOST BACKWARD CLASSES AND MINORITIES WELFARE DEPARTMENT INTRODUCTION

The Government of Tamil Nadu is pioneer State in protecting the welfare of Backward Classes, Most Backward Classes, Denotified Communities and Minorities and stupendous efforts are taken to implement various welfare schemes for their Social, Educational and Economic upliftment.

**“In sandy soil, when deep you delve, you reach the springs below;
The more you learn, the freer streams of wisdom flow”** ‘Thirukural’

(“தொட்டனைத் தூறும் மணற்கேணி மாந்தர்க்குக்
கற்றனைத் தூறும் அறிவு”) ‘திருக்குறள்’

In the above Thirukural “Thiruvalluvar” has stated that, “Water will flow from a well in the sand in proportion to the depth to which it is dug, and knowledge will flow from a man in proportion to his learning”. As per this quote of Thiruvallur, the Government of Tamilnadu implements various welfare schemes to educate the Backward Classes, Most Backward Classes and Denotified Communities people so as to obtain the imperishable property of wisdom.

The Secretary is heading the Department of Backward Classes, Most Backward Classes and Minorities Welfare at the Government level. At the State level, the Director of Backward Classes is implementing various welfare schemes for Backward Classes, the Director of Most Backward Classes and Denotified Communities is implementing various welfare schemes for Most Backward Classes and Denotified Communities and Director for Minorities is implementing various welfare schemes of Minorities.

At the District level, under the direct control of the District Collectors, the District Backward Classes and Minorities Welfare Officers are implementing various welfare schemes for the Backward Classes, Most Backward Classes, Denotified Communities and Minorities. The schemes intended for the upliftment of Piramalai Kallars are implemented through the Joint Director (Kallar Reclamation) with Headquarters at Madurai, in the Districts of Madurai, Theni and Dindugal where they are predominant.

TAMIL NADU BACKWARD CLASSES ECONOMIC DEVELOPMENT CORPORATION

For the economic development of the people of the Backward Classes, Most Backward Classes and Denotified Communities of the State, Tamil Nadu Backward Classes Economic Development Corporation (TABCEDCO) was started in the year 1982.

TAMIL NADU MINORITIES ECONOMIC DEVELOPMENT CORPORATION

To place special emphasis on the economic development of the minorities in the State, the Government formed the Tamil Nadu Minorities Economic Development Corporation (TAMCO) during 1999.

TAMIL NADU STATE MINORITIES COMMISSION

To study and advise the Government on various measures in order to protect the interests of the religious and linguistic minorities in the State, the Government constituted the State Minorities Commission in 1989.

TAMIL NADU BACKWARD CLASSES COMMISSION

Pursuant to the directions of the Supreme Court of India in Mandal Commission case, the Tamil Nadu Backward Classes Commission is functioning from the year 1993 under the Chairmanship of a retired High Court Judge to examine and send the recommendations to Government in respect of various requests relating to inclusion or exclusion of the communities from the lists of Backward Classes / Most Backward Classes / Denotified Communities.

DENOTIFIED COMMUNITIES WELFARE BOARD

In order to uplift the Denotified communities socially, educationally and economically and ensure the advancement of the Denotified communities, the Denotified Communities Welfare Board is functioning.

TAMIL NADU NARIKORAVAR WELFARE BOARD

In order to improve the livelihood of the Narikoravar and to ensure the advancement of the Narikoravar communities through various schemes implemented by the Government and to advise the Government in its implementation Tamil Nadu Narikoravar Board is functioning.

VANNIYAR PUBLIC PROPERTIES WELFARE BOARD

“VANNIYAR PUBLIC PROPERTIES WELFARE BOARD” was formed with an objective to identify the Vanniyar Public Trust Properties bequeathed for the benefits of the vanniyar community and carryout the objectives and to channalise the benefits of the Trusts to the appropriate section of the community. (G.O.Ms. No. 20 BC, MBC & MW Department, Dated 2.3.2009)

2. RESERVATION

The Reservation policy enforced in the State from 1921 with a lofty aim that the weaker sections of the society should secure due share in educational and employment opportunities

has undergone many beneficial changes in fulfilment of the demands made by various sections of the society from time to time. Tamil Nadu is occupying a pride of place in creating awareness throughout India for providing reservation to Backward Classes and Scheduled Castes in education and employment opportunities. Consequent on the striking down of this principal known as “Communal Government Order” by the Supreme Court of India in 1951, Thanthai Periyar spearheaded the mass processions of protest and the agitations became the formidable basis for bringing out the first amendment to the Constitution. As a result of this, Article 15(4) was introduced in the Constitution to provide reservation. This is hailed as an historical achievement in the struggle for Social Justice and in advancing the cause of social, educational and economic conditions of Backward Classes, Most Backward Classes and Denotified Communities who had hitherto suffered the denial of rights.

Consequent to the judgement delivered by the Constitution Bench of the Supreme Court in Indra Sawhney Vs. Union of India, restricting reservation to 50 percent, the Government of Tamil Nadu, headed by the Hon’ble Chief Minister, enacted the Tamil Nadu Act 45 of 1994, to protect the existing level of total reservation at 69 percent and had the Act included in the Ninth Schedule of the Constitution to get protection under Article 31-B of the Constitution.

Responding to the petitions filed against the validity of the Act and exclusion of creamy layer, the Supreme Court observed that if any State wanted to exceed the reservation beyond 50%, it should decide on the basis of quantifiable data. It has further observed on 13.07.2010 that the quantifiable data ought to be supplied to the Tamil Nadu Backward Classes Commission and the Commission should give its findings regarding the quantum of reservation within a period of one year. Within this time limit, the Backward Classes Commission should also give its findings relating to the exclusion of creamy layer. Accordingly data have been given to the Commission. The Backward Classes Commission headed by Justice M.S. Janarthanam examined the two issues and gave its report to Government on 08.07.2011 in which it has reported that considering the population of various communities, there is justification regarding the quantum of reservation available to them and that regarding the implementation of Tamil Nadu Act 45 of 1994, there is no necessity warranting the creamy layer exclusion.

The Government has accepted the recommendation of the Commission and issued orders on 11th July, 2011 continuing the 69% reservation without the exclusion of the Creamy layer. Thus, the 69% reservation has been safeguarded. (G.O.Ms. No. 50 BC, MBC & MW Department, Dated 11.7.2011)

The details of the scheme wise allocation of funds, administrative set up of the three Departments, brief note and statistical information on the individual schemes with achievements during the previous year are furnished as follows
