### **CITIZENS' CHARTER**

This Charter is a statement of the mission of the Micro, Small and Medium Enterprises Department, Government of Tamil Nadu, to accomplish and fulfil the Government's commitment to make Tamil Nadu the most preferred State for investments in India and to improve the competitiveness of this sector and thereby to create gainful employment for the people.

#### **MISSION**

Our mission is to accelerate development in Tamil Nadu by maximizing investment, output, growth, employment and manufacturing competitiveness through infrastructure and human resources development in Micro, Small and Medium Enterprises sector.

#### **COMMITMENT**

- ❖ Encourage the Micro, Small and Medium Enterprises in the State and enable them to become competitive in a WTO compliant global market and become world leader in select segments.
- ❖ Reduce regional imbalances in the industrial development within the State and facilitate setting up of Micro, Small and Medium Enterprises in backward areas of the State.
- ❖ Encourage modernisation and upgradation of technology in traditional sectors for having competitive edge in the wake of liberalisation and globalisation.
- ❖ Create employment opportunities particularly to the vulnerable sections of the society and rural people, ensuring inclusive development.
- ❖ Provide skill development and training for educated youth to develop entrepreneurial skills and make them self-employed.
- ❖ Create infrastructure facilities, provide incentives and marketing as well as technical support to the Micro, Small and Medium Enterprises.
- ❖ Cater to the quality testing requirements of industries in general and Micro, Small and Medium Enterprises in particular.
- ❖ Simplify procedural formalities to speed up industrialisation.

#### **ENTREPRENEURS' RESPONSIBILITY**

In return, the Micro, Small and Medium Enterprises Department would expect the entrepreneurs / citizens:-

- ❖ To complete all necessary formalities by furnishing honest and correct information
- ❖ To feel free to approach us whenever the need arises
- ❖ To write to us, if there are any suggestions or comments on this Charter.

## **TAMIL NADU SMALL INDUSTRIES DEVELOPMENT CORPORATION LIMITED (SIDCO)**

Tamil Nadu Small Industries Development Corporation Limited was established in the year 1970 as a Government of Tamil Nadu undertaking to promote and provide assistance to Micro Small and Medium Enterprises in the State.

### **1. Activities of SIDCO**

1. Establishment and maintenance of Industrial Estates.
2. Distribution of Raw Materials.
3. Marketing Assistance.
4. Promotion of Private Clusters and Common Facility Centres.
5. Enabling the access of MSMEs towards Technology, Inputs, Best Practices, Capital and Markets.

### **2. Establishment of Industrial Estates:**

- ❖ Suitable lands are identified taking into consideration the various factors such as location, availability of power and water, transport facilities etc., for the formation of new Industrial Estates.
- ❖ The lands are either acquired if they are private patta lands or alienated if they are Government lands.
- ❖ Basic infrastructure facilities such as roads, streetlights, water supply system, storm water drainage, sewage system etc., are provided in the lands taken over and new industrial estates are formed.
- ❖ Government of Tamil Nadu have established 35 Industrial Estates initially through Directorate of Industries and Commerce and the administrative control of these industrial estates have been transferred to SIDCO on agency terms in 1974.
- ❖ SIDCO has developed 70 Industrial Estates on its own since its establishment in 1970 and totally 105 industrial estates (Annexure-I) are functioning under the control of SIDCO at present.

### **3. Special Features:**

- ❖ Tiny plots measuring 5 cents to 15 cents are developed and allotted exclusively for Micro Enterprises.

- ❖ Now industrial plots measuring 0.25 acres to 1 acre and above are allotted to Micro, Small and Medium Enterprises depending on their project requirement.
- ❖ Multi-storeyed industrial complexes with modules of area 500 sq.ft, 1000 sq.ft and 1500 sq.ft have been constructed and allotted to Electronic and Readymade Garment industries in Thiru-Vi-Ka Industrial Estate, Guindy.
- ❖ To encourage women entrepreneurs, Women Industrial Parks have been developed in 5 places.
  - ✚ Karuppur (Salem District)
  - ✚ Valavanthankottai (Trichy District)
  - ✚ Thirumullaivoyal (Thiruvallur District)
  - ✚ Thirumudivakkam (Kancheepuram District)
  - ✚ Kappalur (Madurai District)
- ❖ Private Industrial Estates have also been developed for industrial associations at 4 locations.
  - Mudalipalyam (Tiruppur District)
  - Uranganpatti (Madurai District)
  - Chettipalayam (Tiruppur District)
  - Palladam – Vadugapalayam (Tiruppur District)
- ❖ 30% of the saleable area of the Industrial Estates are earmarked for Micro Enterprises as per G.O.(Ms).No.7, Micro, Small and Medium Enterprises Department, dated 31.01.2009.
- ❖ To ensure participation of all sections of the society in the industrial development of the State, priority is given in allotment as follows.
  - 30% for Women Entrepreneurs
  - 10% for Ex-servicemen
  - 10% for SC/ST and Transgenders.

#### **4. Allotment Procedure**

- Advertisements are released in news papers notifying the availability of plots and sheds every year. The same are made available in website [www.sidco.tn.nic.in](http://www.sidco.tn.nic.in).

- Application for allotment can be had either from 19 branch offices in various districts or from Corporate Office. Application can be downloaded from website [www.sidco.tn.nic.in](http://www.sidco.tn.nic.in). also.
- The application may be filed either with Branch Manager of the respective district under whose jurisdiction the Industrial Estate falls or with the Chairman and Managing Director, SIDCO, Chennai.
- A Screening Committee constituted with the Officials of SIDCO, Directorate of Industries and Commerce, Tamil Nadu Industrial Investment Corporation Limited and representatives of TANSTIA scrutinizes the applications and selects the eligible entrepreneurs based on criteria like financial strength, viability of project etc.
- The selected entrepreneurs are allotted plots by way of “LOT” system conducted in a transparent manner.
- Allotment orders are issued by Managing Director, SIDCO for all plots in respect of SIDCO Industrial Estates and in respect of Government Industrial Estates where the plot extent is less than 5000 sq.ft.
- In respect of plots measuring more than 5000 sq.ft., in Government Industrial Estates, the plots were allotted after getting prior permission of Government, as per G.O.(Ms).No. 877, Industries Department, dated 01.07.1982.
- Government have now authorized SIDCO to allot upto 50 cents in Government Industrial Estate vide G.O.(Ms).No.45, Micro, Small and Medium Enterprises (C) Department, dated 04.09.2014

#### **4. Lease Policy of SIDCO:**

SIDCO has been making allotments in its Industrial Estates on Outright Sale Basis. To promote the interests of the MSMEs, a new allotment policy has been ordered vide G.O.(Ms). No.66, MS&ME (C) Department, dated 18.11.2013, for all the new Industrial Estates to be formed from the year 2013-14. Under this new policy, allotment will be made on 30 years lease basis with an option to the entrepreneurs to buy the sheds / plots on outright purchase basis at the end of 30 years in the new Industrial Estates.

## **5. Infrastructure Facilities in Industrial Estates:**

- The basic infrastructures like Roads, Street lights, Water Supply System, Storm Water Drainage, Sewage System are created in new Industrial Estates and upgraded in existing Industrial Estates.
- Canteen, Banks, Post Office, Telephone Exchange, Fire Station, Police Station, Parks, Dispensary, Common Creche for children are also made available in the Industrial Estates for the benefit of entrepreneurs and employees.
- Infrastructure facilities are created/upgraded in Industrial Estates under various schemes implemented by Central as well as State Government.
  - i. Micro and Small Enterprises-Cluster Development Programme MSE-CDP (ID) Scheme
  - ii. Additional Central Assistance Scheme (ACA)
  - iii. Modified Industrial Infrastructure Upgradation Scheme (IIUS)
  - iv. Aid to States for Infrastructure Development of Export and Allied Activities.(ASIDE)

### **6.1 Micro and Small Enterprises -Cluster Development programme (MSE-CDP)**

Under this Scheme, the grant is availed from the Government of India for the following:

- ❖ MSE – CDP (Infrastructure Development)
- ❖ MSE – CDP (Common Facility Centre)

### **6.2 Infrastructure Development under the MSE – CDP Scheme**

Under this Scheme, the Government of India sanction 60% of the project cost (maximum project cost of Rs. 10 Crore) subject to a ceiling of Rs.6 Crore as grant for the creation and up-gradation of infrastructure in new and existing Industrial Estates respectively.

### 6.3. Common Facility Centres (CFCs) under the MSE – CDP Scheme

Micro and Small Enterprises – Cluster Development Programme (MSE – CDP) aims at addressing the needs of the industries through formation of well-defined clusters and geographical areas to enable the Micro and Small Enterprises to have better access to resources, linkages to credit and to enhance their marketing competitiveness.

A cluster is a group of similar and related enterprises in a defined geographic area that share common markets, technologies, skill needs and are producing same/similar products.

Government of India, Ministry of MSME and also the State Government have adopted the cluster development approach as an important tool for enhancing the competitiveness and productivity of the Micro and Small Enterprises. Clustering of units also enables providers of various services to them, including banks and credit agencies, to provide their services more economically, thus reducing costs and improving the availability of services for these enterprises.

This scheme is being implemented to support the sustainability and growth of Micro and Small Enterprises by addressing common issues, building their capacity for common supportive action through formation of self-help groups, consortia etc. and to set up common facility centres (for testing, training centre, raw material depot, effluent treatment, complementing production processes, etc.)

The funding pattern of MSE-CDP (CFC) scheme is as follows:

Grant from Government of India, Ministry of MSME	70% (maximum project cost of Rs.15 Crore)
Grant from Government of Tamil Nadu	10% (maximum of Rs.1Crore)
SPV Contribution /Bank Loan	20%

SIDCO has been nominated as the implementing Agency for establishing Common Facility Centres in Tamil Nadu under MSE-CDP scheme.

## **7. Raw Material Distribution**

The raw materials such as Iron & Steel, Wax, Potassium Chlorate and TNPL paper (direct and agency) are distributed through various depots situated in Ambattur, Coimbatore, Madurai, Trichy, Sattur, Sivakasi and from its Branch Offices located at Erode, Salem, Thanjavur, and Vellore.

## **8. Marketing Assistance Scheme**

- SIDCO participates in the tenders floated by Government / Undertakings on behalf of the registered units and secures orders.
- The orders received are distributed among the units in case of the quantity to be supplied is huge or else to a single unit.
- The units which require assistance under this scheme have to enroll under the Marketing Assistance Scheme.
- The units having Permanent SSI Certificate / EM Part-II/Udyog Aadhaar are eligible to register under this scheme.
- The registration fee for enrolment is Rs.200/-
- The units who want to enroll under the scheme may contact the respective Branch Managers of SIDCO's branch offices or the Deputy General Manager (Marketing and Raw Materials).

## **9. e-Governance**

Computerization of activities of SIDCO with an objective to revamp the organization has been taken up to simplify the office procedures and formalities and to accelerate the performance of the corporation.

In Keeping pace with e- Governance initiatives and to realize full potential of ICT in servicing MSMEs, SIDCO has proposed to implement IT system for end to end automation for complete life cycle of business processes for efficient and transparent working, enhancement of ease of doing business and improve investment climate for MSMEs by providing online delivery of various services to Industry and all other stake holders. An integrated system at a cost of Rs.1.77 crores is being implemented comprising of various software modules as Consultant for Supply, Installation & commission of Hardware/Software. This e-Governance initiative aims at GIS linked business processes / activities of SIDCO like allotment of plots/sheds and its related issues, procurement and distribution of raw materials, tendering process, accounting, financial management, HR management etc. with interactive industry & investor portal.
