# **PUBLIC WORKS DEPARTMENT BUILDINGS**

## **1.0. GENERAL**

The Buildings Organisation of the Public Works Department plays a pivotal role in addressing the building requirements of various Government Departments of the State. It is vested with the crucial task of Planning, Designing, Construction and Maintenance of Public Buildings.

The Buildings Organisation also undertakes construction and maintenance works for the State and Central Government Undertakings, Corporations, Erection of Monuments, Memorials and Renovation and Restoration of Heritage Buildings.

In addition, the Buildings Organisation is vested with the task of maintaining the bungalows of His Excellency the Governor, Hon'ble Ministers, Hon'ble Judges, Secretariat Building, Inspection Bungalows and Circuit Houses.

Buildings organization also looks after the arrangements for VIP and VVIP's

visits such as stage erection, barricading, providing Public Address System and lighting arrangements.

The Architectural wing of the Buildings Organisation evolves the preliminary drawings, detailed plans, elevations and cross sections for all new buildings and provides colour schemes. This wing also evolves layout plans for large complexes, Memorials, Manimandapams, Parks etc. This wing also evolves type Design for Buildings such as Primary Health Centres, Health Sub-centres, Class rooms for School Buildings, Backward Class and Most Backward Class Students Hostel Buildings etc.

## **1.1. ORGANISATION**

1.1.1. Public Works Department, Buildings Organisation is functioning under the control of the Engineer-in-Chief (Buildings) with three Regional Chief Engineers at Chennai, Tiruchirappalli and Madurai with 14 Circles and 50 Divisions.

In 14 Circles, 7 Circles for Non-Medical works and 3 Circles for Medical works,

3 Circles for Electrical works and 1 Circle for Planning & Design.

In 50 Divisions, 34 Divisions for Non- Medical Works and 15 Divisions for Medical works and 1 Division for Building Research.

- 1.1.2. Architect Wing is functioning under the administrative control of Engineer-in-Chief (Buildings), headed by Chief Architect with Joint Chief Architect, Senior Architects, Assistant Architects and Junior Architects.
- 1.1.3. To impart training to PWD Engineers to improve their Technical Efficiency and to follow new Rules and Regulations and to work efficiently, the Public Works Staff Training Institute headed by a Director in the rank of Superintending Engineer with headquarters at Tiruchirappalli under the control of the Engineer-in-Chief (Buildings) is functioning. Under the control of this institute, three Training Institutes headed by Deputy Directors in the rank of Executive Engineer at Tiruchirappalli, Madurai and Chennai are functioning.
- 1.2. The Chief Engineer (General), Public Works Department looks after all

establishment related matters pertaining to Water Resources Department, Buildings Organisation and Directorate of Boilers.
