**PUBLIC WORKS DEPARTMENT
BUILDINGS**

CITIZENS' CHARTER – 2018

1.0. Introduction

The Tamil Nadu Public Works Department is one of the oldest service departments of the Government. The Buildings Organisation of Public Works Department is pioneer in the field of construction engineering serving for the past 160 years in the construction and maintenance of Government buildings. The Buildings Organisation adopts latest scientific and modern technologies and follow the specifications of the Bureau of Indian Standards Codes and National Building Code to ensure that the buildings are structurally safe.

More than thousands of Government buildings for Hospitals, Courts, Schools, Collectorates, Offices of various departments and monuments constructed by Public Works Department stand as testimony for Engineering expertise of the Public Works Department.

This Citizens' Charter consists of information regarding the Mission of the Public Works Department of Tamil Nadu in offering the services for construction and maintenance of Public buildings to various departments and related information to the people.

2.0. Mission of the department

This Public Works Department of Tamil Nadu has the mission of maintaining quality services with eco friendly and energy efficient nature for the safe and optimal use of public buildings at reasonable cost by adapting modern construction technology in the construction thereby ensuring safety and best serviceability of the buildings.

This department is committed to the plan, design and construction of the new buildings, and also maintaining and monitoring the functionality and stability of the existing public buildings. This Department also carryout the renovation works of the heritage monumental structures.

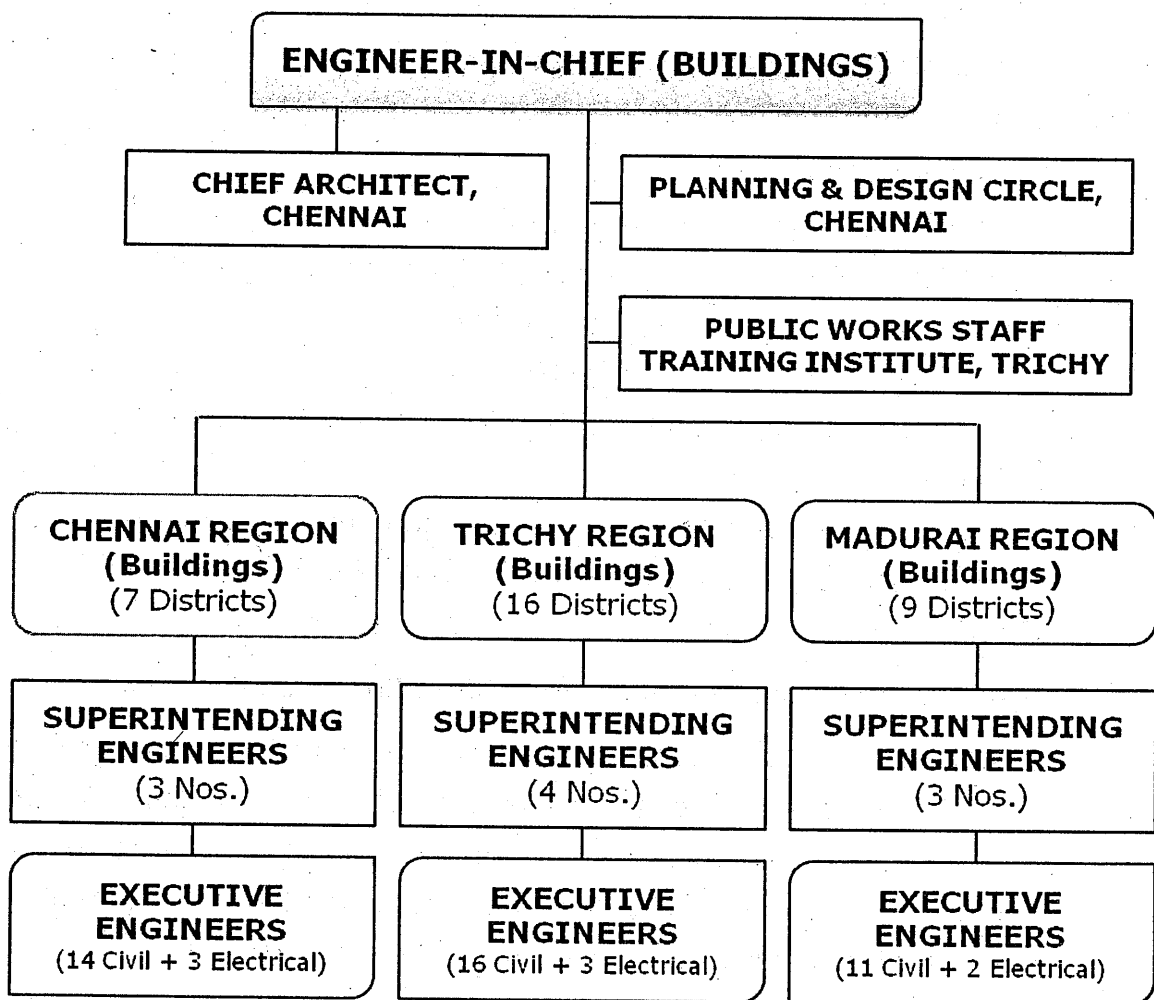

3.0. Activities of the department

The various types of Government buildings constructed by PWD include Government Hospitals, Government Medical Colleges, Court Buildings, Collectorates, Government School buildings, Hostel buildings and other Government Departments Office buildings. In addition, the following activities are carried out by this department:

- Construction of Manimandapams, Memorials Monument buildings, etc.,
- Renovation and restoration of Heritage buildings.
- Maintenance of Secretariat building in Chennai.
- Maintenance of Raj Bhavan buildings in Chennai and Udthagamandalam.
- Maintenance of Hon'ble Judges Bungalows, Hon'ble Ministers and VVIP's Bungalows, Inspection Bungalows, Circuit Houses, and other Government buildings.
- Execution of World Bank Aided Coastal Disaster Risk Reduction Projects.
- Execution of works under constituency development funds of Member of Parliament and Member of Legislative Assembly.
- Stage erection, barricading works, providing Public Address System and lighting arrangements in the event of VIP and VVIP's visits, and also issue of stability certificate for the above arrangements made for public meetings.
- Valuation of buildings referred by the Judicial and Vigilance and Anti Corruption Department.
- Issue of the structural stability certificate for Cinema theatres, Schools, College buildings and other buildings referred by the Government, Judicial and Police Department.
- Issue of reasonableness of the Rent certificate for the private buildings occupied by the Government offices.

- Annual revision of Standard schedule of rates, Plinth area rates for buildings and Plinth area rates for Rental valuation.
- Approval of construction materials / construction techniques by the Assessment Committee.
- Carrying out research and developments in construction materials and practices.
- Providing Technical Guidance / Training to the Engineering students from various Engineering Colleges for the technical enrichment of their knowledge.

4.0. Organisation of Public Works Department

5.0. Services to the Government departments :

The Services of Public Works Department are availed by the following Government Departments :-

- Health & Family Welfare Department
- School Education Department
- Revenue and Disaster Management Department
- Judicial Department
- Transport Department
- Agriculture Department
- Backward Classes, Most Backward Classes & Minorities Welfare Department
- Tourism, Culture and Religious Endowments Department
- Commercial Taxes and Registration Department
- Animal Husbandry, Dairying & Fisheries Department,
- Labour and Employment Department
- Tamil Development and Information Department
- Law Department
- Fire & Rescue Services Department
- Co-operation, Food and Consumer Protection Department
- Environment and Forests Department
- Finance Department (Pay & Accounts Offices and Treasuries)
- Handlooms, Handicrafts, Textiles and Khadi Department
- Industries Department
- Social Welfare and Nutritious Meal Programme Department
- Welfare of Differently Abled Persons Department
- Youth Welfare and Sports Development Department

5.1. Procedures for commencement of building works

Based on the request of the above departments for their new buildings, preliminary plans and rough cost estimates are sent to the Government for obtaining necessary Administrative Sanction. After obtaining administrative sanction, detailed plans and estimates are prepared. After calling for tenders works are executed by this department.

6.0. Services regarding Tenders for execution of works by PWD

This department follows Tamil Nadu Transparency in Tenders Act, 2000 in publication, finalization and award of tenders to the registered contractors for execution of the building works.

6.1. Registration of Contractors in PWD

The rules for the Registration of Contractors for undertaking Government works are available in Appendix XXIII of Tamil Nadu Public Works Department Code. The registration is done in the respective Circles by the Superintending Engineers (State level / Circle level) and by the Executive Engineers in the respective Divisions in appropriate class, depending on contractor's financial capacity, experience, etc.

Classification of Contractor:

The Contractors can register in PWD in the respective Class depending on their qualification for the following value of works :

Class - I	: Above Rs.75 Lakhs
Class - II	: Upto Rs.75 Lakhs
Class- III	: Upto Rs.30 Lakhs
Class- IV	: Upto Rs.15 Lakhs
Class- V	: Upto Rs.6 Lakhs

Fee for Application :

Division Level	-	Rs.1000/- + GST
Circle Level	-	Rs.1000/- + GST
State Level	-	Rs.5000/- + GST

Fee for Registration :

Division Level (Class V)	-	Rs.10,000/-
Circle Level (Class V, IV, III, II & I)	-	Rs.20,000/-
State Level (Class IV, III, II & I)	-	Rs.50,000/-

Essential qualifications for Registration as Contractors :

- Income Tax Return Filed with Income Tax Department with PAN No.
- Goods and Service Tax Identification Number "GSTIN".
- The solvency certificate not less than 30% of the value of class of registration sought for, on immovable properties issued by Revenue Department. The Revenue solvency should be in the name of the

individual, who wish to register (or) one of the partner's name, if it is a firm / company.

- Financial capacity to execute works, for which Certificate on Cash transaction with the Bank for the past one year.
- Experience in the Building Activities
- Tools and Plants available with them
- Technical Staff available with them for Works Supervision

The promotion to the next class shall be based on solvency certificate added with the experience and past performance.

The contractors shall remain for atleast one year in each of the classes (i.e.) Class IV, III and II for getting promotion to next higher Classes.

Head of account for the Registration Fee Remittance

8782 – Cash Remittance – PW Other Remittance in items adjustable by Public Works and the credit of Executive Engineer, PWD., Division. (D.P. Code No. 8782 - R - ACAD – 0003).

Rejection of application

The registering authority is delegated with the powers to reject any application received for registration. But, while doing so, he shall issue a show-cause notice to the applicant, stating briefly the reasons for rejection.

Demotion of Class

The registering authority may demote a contractor, to a lower class. The registering authority may also consider application for reinstatement duly obtaining explanation on merits.

Non-discrimination and accessibility

The Superintending Engineers and the Executive Engineers shall act with Non-discriminated manner as per the guidelines issued from time to time by the Government.

Role of Contractors for availing the above services

For availing the services, Public can submit filled in application along with the copies of documents like, solvency certificate for the required value, experience certificate, evidences of income Tax Return filed, Sales Tax Registration Certificate, Details in support of financial capacity, Details of Manpower and Machineries available with them, etc., and originals of such document shall be produced for verification by the Superintending Engineers / the Executive Engineers as the case may be.

Grievance Redressal

Grievances, if any, can be solved by contacting the respective Executive Engineer or Superintending Engineer of this Department in person.

6.2. Procedures for Issue of Tender Schedule :

Information

The required documents for tendering will be issued then and there by tender inviting authorities for the work of construction or maintenance of buildings.

Standards of service

The availability of this service will be intimated to the citizen in the following mode:-

By publishing tender notice in the Daily News papers both in Tamil & English and on designated Website in accordance with the Guidelines issued by the Government.

- By publishing the tender notice in the weekly Tender Bulletin published by the Director of Information and Public Relations, Secretariat, Chennai, or by weekly Tender bulletin published by the Public Relation Officer in Districts in the Local areas according to the value of works.
- By displaying the tender notices in notice board of the respective PWD Offices.
- Issuing tender notice by post to the registered contractors, on request along with stamped self addressed envelope.

Choice and Consultation

The details of this service can be had from the Tender Inviting Authority.

Grievance Redressal regarding Tender

Grievances can be solved by contacting the respective Tender Inviting Authority.

Cost

On knowing of the information of Tender notice, the contractor should give a written request for the tender schedule for the work, he wish to tender along with the challan / demand draft for the cost of Tenders. The tender schedule will be issued to the Contractor on receipt of the requisition with cost.

The mode of payment will be informed in the notice inviting tenders, depending on the value of the works to be executed.

Invitation of Tenders

In G.O. Ms. No.222, Public Works (G2) Department, dated 08.04.1999 and Rule 20 of the Tamilnadu Transparency in Tenders Rules, 2000, the minimum period between the date of publication of the notification in the relevant Tender Bulletin or in the Newspapers and the last date for submission of Tender should be

- 15 days for Tenders upto Rs.2.00 Crore in value
- 30 Days for Tenders, value of which exceeds Rs.2.00 crore

6.3. Time limit for finalization of Tenders :

In G.O. (Ms). No.873, Public Works Department, dated 04.05.1982 and G.O. (Ms). No.49, Finance (Salaries) Department, dated 11.09.1998, the following time-limit should be followed in processing tenders and submitting to approval authority.

- The Superintending Engineer shall scrutinize and submit the tender proposals to the Chief Engineer within 15 days from the date of receipt of tenders.
- The Chief Engineer shall also scrutinize the tenders which require Tender Award Committee approval and submit them to the Tender Award Committee within 7 days from the date of receipt of tenders from the Superintending Engineer
- The Tender Award Committee shall take a decision on the award of tender within a period of one month.

6.4. Time limit for execution of works :

Guidelines has been issued in the Chief Engineer (Buildings), PWD., Chennai letter No. HDO (A) / 24179 / 2002-1, dated 22.04.2002 regarding the time limits for period of execution of building works (from the date of handing over of site to date of completion of work by contractor) as detailed below :

Sl. No.	Type of building	Construction period (in months) for total plinth area of buildings		
		Upto 500 Sq.m	501 Sq.m to 1000 Sq.m	1001 Sq.m. to 2500 Sq.m
1	Single-storeyed, load bearing structures	4	7	10
2	Single-storeyed, framed structures	5	9	12

The above time limit can be modified due to unforeseen contingencies, but with the approval of higher authorities only.

For the buildings where the plinth area exceeds 2500 sq.m. (special type) the time limit can be fixed with the approval of the Chief Engineer (Buildings).

7.0. Other Services :

7.1. Issue of Structural Soundness certificate for New Cinema Theatres

As per G.O. (Ms). No. 972, PWD dated 13.07.1992 and Tamil Nadu Cinemas (Regulation) Rules 1957, the Public Works Department, Planning and Design Circle deals with Structural Soundness of Cinema Theaters.

The request for issue of Structural Soundness certificate for Cinema Theaters is received from Commissioner of Police for Chennai and the District Collectors for other districts who are the licensing authorities.

Upon receiving the request, the Superintending Engineer, Planning and Design Circle, scrutinise initial proposals before the construction and completion plans after the construction of new Cinema Theatres / Multiplex cinema theatres with shopping malls and send the plan recommendation, with Structural Soundness Certificate of the Public Works Department to the License issuing Authority for approval. The certificate is issued within 30 days from the date of application.

Issue of Structural Stability certificate for Old Cinema Theatres

Issue Structural Stability Certificate to the cinema theatres which are more than 50 years old after spot inspection. The certificate is issued within 30 days from the date of application.

7.2. Conducting Interviews for Private Engineers to include in the District Panel of Private Practicing Engineers:

A panel of private practicing Engineers is maintained at District level in each Collectorate in which qualified private Engineers can register. The Collector utilize the services of private practicing Engineers for issuing of stability certificates for private buildings, etc.

The application of the Private Practicing Engineer is received by the concerned District Collector with necessary recommendation in the prescribed proforma for the Superintending Engineer of PWD, Building Organisation of the respective area and the details are sent to the Engineer-in-Chief (Buildings). The interview for the Private Engineers for inclusion in the panel of private practicing Engineers is conducted within 30 days by the Superintending Engineer, Planning Design Circle and recommendations are sent to the PWD Board of Engineers for acceptance and for communicating to the District collector for registering the name in the panel of private practicing Engineer.

7.3. Approval of Construction Materials / Construction Techniques.

The Assessment Committee

The Government in G.O. (Ms). No. 106, Housing Department, dated 06.03.1975 constituted Assessment Committee to evaluate the innovations in use of materials and construction techniques with representatives from various institutions.

At present, the Committee functions with the Engineer-in-Chief (Buildings), PWD as Chairman and Superintending Engineer, PWD, Planning and Design circle as Member Secretary, with members from Anna University, Indian Institute of Technology, Bureau of Indian Standards, Structural Engineering Research Centre, Tamil Nadu Housing Board, Tamil Nadu Slum Clearance Board, Tamil Nadu Police Housing Corporation, Tamil Nadu Electricity Board, Directorate of Technical Education, Military Engineering Service, Institution of Engineers and Builders Association.

The Assessment Committee meetings are organized by the Planning and Design circle and Tamilaga Arasu Building Research Station upon receiving applications from manufactures. The meeting is convened atleast 4 times annually by Planning and Design Circle and Tamilaga Arasu Building Research Station.

Details required for approval of the Construction Materials:

The Manufacturer of the product should submit document along with the following details.

- General Profile of the Company, Manufacturing and Distribution Facilities
- Bureau of Indian Standards (BIS) License / Registration details
- Test Reports for products
- Technical specifications of the products
- Product Approvals already available / Performance Certificates / Purchase Order
- Method of Applications of the product in the construction
- Price List
- Any other details required by the Department

Along with above details, the assessment fee of Rs.10,000/- per product should be remitted in the form of demand draft in favour of Executive Engineer, Tamilaga Arasu Building Research Station, Public Works Department, Chennai

Basis for approval of the product and issue of the approval certificate :

The Committee examines the product details based on the License from Bureau of Indian standards / Test reports from the Central Government laboratories and Bureau of Indian Standards approved laboratories to approve the products.

The Product approval Certificate is issued by the Member Secretary of the Committee within 30 days from the date of approval of the Minutes of Assessment Committee meeting. The Product approval certificate is valid

for three years. The Manufacturer should apply for renewal of certificate with assessment fee of Rs.5000/- per product after expiry of validity of the certificate.

7.4. Laboratory Tests on Construction Materials by Tamilaga Arasu Building Research Station :

The quality tests on Cement, Steel, Sand and Concrete are conducted in the Laboratory as per the Bureau of Indian Standard codal provisions by Tamilaga Arasu Building Research Station, Taramani, Chennai at the nominal charges as prescribed vide Annexure-III. The materials shall be tested within 7 days from the date of receipt of samples. The test reports are to be issued within 3 days from the date of testing.

7.5. Issue of Reasonableness of Rent Certificate for Buildings:

This Department issues Reasonableness of Rent Certificate to the Private buildings rented for various Government offices. The Executive Engineers concerned are empowered to issue Reasonableness of Rent Certificate. The certificate issued within 15 days from the date of application.

7.6. Issue of Stability Certificate to stages for Public meetings :

The organisers conducting the Public meeting attended by V.V.I.Ps., can seek for the certificate of stability for stages from the Executive Engineers concerned. The stability certificate may be issued before the commencement of meetings.

7.7. Issue of Structural Stability Certificate to the Public buildings:

The owner of the building like private school buildings, College Buildings, cinema theatres etc., can seek this service from Superintending Engineers of PWD, Building Organisation designated for the purpose, so as to obtain License from the Authorities concerned. In general, this certificate is issued on payment of centage charges as prescribed in Annexure-II. The certificate is issued within 30 days from the date of application.

ANNEXURE – II

CHARGES FOR ISSUING STRUCTURAL STABILITY CERTIFICATE FOR PRIVATE BUILDINGS

(As per G.O. (Ms). No.181, Public Works (G2) Department, dated 16.05.2003)

Sl. No.	Description	Amount (In Rupees)
1	Inspection of Private Buildings (less than 50 years old) and issue of Structural Stability Certificate for 3 years.	Rs.10/- Sq.m. subject to a minimum of Rs.5,000/- per building
2	Inspection of Private Buildings (more than 50 years old) and issue of Structural Stability Certificate for 1 year.	Rs.5/- Sq.m. subject to a minimum of Rs.5,000/- per building
3	Inspection of distressed private building and offering suggestions and remedial measures.	Rs.5,000/-

ANNEXURE – III

**SERVICE CHARGES FOR CONDUCTING NON-DESTRUCTIVE TEST FOR GOVERNMENT /
QUASI GOVERNMENT / PUBLIC / PRIVATE SECTORS**

(As per G.O. (Ms). No.97, Public Works (G1) Department, dated 03.06.2011)

Sl. No.	Description	Machine	Amount (In Rupees)
1	To determine the average rebound number and the near strength of concrete for various structural elements in an existing structure without distributing it.	Digital Rebound Hammer	Rs.50/- per point
2	To determine the goodness of concrete and to detect honeycombs, voids, frozen concrete, cracks and other non-homogeneous conditions in concrete	Ultrasonic Pulse Velocity	Rs.75/- per point
3	To locate the exact position of reinforcement bars in concrete structures.	Rebar Data Scan	Rs.75/- per point
4	To determine the strength of pre-cast concrete cubes	Compression Testing Machine	Rs.150/- for 3 cubes
5	To determine the compressive strength of structural elements.	Cutter and Compression Testing Machine	Rs.900/- per sample
