PREFACE

Building construction is an ancient human activity. It was exclusively for the functional need of a controlled environment to effect the biological balance of climate. Constructed buildings were one means wherein the human beings were able to adapt themselves to the climatology changes and gain as a global species.

Construction of Building is an art involving high determination and dedication. Public Works Department deliver buildings construction works with great care ensuring that they are safe, serviceable and for the benefit of the public.

Public Works Department is one of the age old service departments of the Government which creates assets to the State. This Department is serving for the past 157 years fulfilling the needs of the State particularly, in the construction and maintenance of all Government Buildings with high devotion and dedication apart from rendering technical expertise whenever needed.

The Buildings Organisation adapts with the advent of the latest scientific and modern technologies and as per guidelines and the procedures specified in the Bureau of Indian Standard Codes in order to ensure that the buildings are structurally safe.

The Buildings Organisation is functioning efficiently and is constructing

Public Buildings based on need basis to various Government Departments, autonomous bodies etc., adopting well codified practices, hi-fi technology, e-governance.

PUBLIC WORKS DEPARTMENT BUILDINGS

1.0. GENERAL

The Buildings Organisation of the Public Works Department plays a vital role in addressing the building requirements of various Government Departments of the State and it is vested with the crucial task of Planning, Designing, Construction and Maintenance of Public Buildings.

The Buildings Organisation also undertakes construction and maintenance works for the State and Central Government Undertakings, Corporations, erection of Monuments, Memorials and renovation and restoration of heritage buildings.

In addition, the Building Organisation is vested with the task of maintaining the bungalows of His Excellency the Governor of Tamil Nadu at Chennai

and Udhagamandalam, Hon'ble Ministers, Hon'ble Judges, Secretariat Buildings, VVIPs' Residence, Inspection Bungalows and Circuit Houses.

Building Organization also looks after the arrangements for VVIPs visits such as stage erection, barricading arrangements, providing public address system and lighting arrangements.

The Architectural wing of the Building Organisation evolves the preliminary drawings, detailed plans, elevations and cross sections for all new buildings and provides colour schemes.

6.0. RAIN WATER HARVESTING IN GOVERNMENT BUILDINGS

The brain child scheme of Hon'ble Chief Minister Rain Water Harvesting scheme was launched in 2001. Rain Water harvesting movement had a tremendous impact in recharging Ground Water table all over Tamil Nadu. Public Works Department is executing the task of providing Rain Water Harvesting Structures in all Government buildings.

7.0. RAMPS AND TOILETS FOR DIFFERENTLY ABLED PERSONS IN GOVERNMENT BUILDINGS

Differently Abled persons face many challenges in their day to day life like access to public places which are not Differently Abled persons friendly. For creation of barrier free

environment for Differently Abled Persons, PWD is implementing various provisions of the Disabilities Act, 1995 by providing Ramp and Differently Abled persons friendly Toilets in Government buildings

In particular, in Government Hospital Buildings, the ramps and toilets for the Differently Abled Persons have been provided as per the norms to enable easy access for the Differently Abled Persons in Wards, Operation Theatres, etc.

7.1. Lifts for Differently Abled Persons sanctioned for the year 2014-2015 in the following Hospitals:

Renovation of 23 Persons capacity Bed cum Passenger Lift for Differently Abled Persons in Ortho Block (Trauma Care) in

Government Kilpauk Medical College Hospital, Chennai at an estimated cost of Rs.32.00 Lakh.
