PREFACE

Public Works Department is the oldest technical department which created glorious infrastructural Government assets, such as public buildings and monuments. Some of these stand as a lasting testimony to the technical expertise, professional competence, devotion and commitment of the Department.

PWD Buildings organization is playing a prime role related to engineering activity of State administration and guides the other Government departments in respect of Engineering services. It is the parent department for all other Engineering departments.

PWD, a prime Engineering Department mandated for planning, construction and maintenance of Government buildings.

Public Works Department constructing and maintaining the Public buildings such as Court Buildings, District Collectorates, Government

Hospitals, Government Medical Colleges, Schools, Boys and Girls Hostel buildings, Government Quarters and other Government department buildings.

The achievement of PWD can be seen in terms of standards and qualities provided such as building construction and maintenance at reasonable cost utilizing modern technologies and by following the Bureau of Indian Standard Codes, thereby ensuring safety and serviceability of buildings.

PREFACE

Public Works Department is the oldest technical department which created glorious infrastructural Government assets, such as public buildings and monuments. Some of these stand as a lasting testimony to the technical expertise, professional competence, devotion and commitment of the Department.

PWD Buildings organization is playing a prime role related to engineering activity of State administration and guides the other Government departments in respect of Engineering services. It is the parent department for all other Engineering departments.

PWD, a prime Engineering Department mandated for planning, construction and maintenance of Government buildings.

Public Works Department constructing and maintaining the Public buildings such as Court Buildings, District Collectorates, Government

Hospitals, Government Medical Colleges, Schools, Boys and Girls Hostel buildings, Government Quarters and other Government department buildings.

The achievement of PWD can be seen in terms of standards and qualities provided such as building construction and maintenance at reasonable cost utilizing modern technologies and by following the Bureau of Indian Standard Codes, thereby ensuring safety and serviceability of buildings.

PUBLIC WORKS DEPARTMENT BUILDINGS

1.0. ACTIVITIES

Buildings Organization provides quality services for construction and maintenance, by utilizing modern technologies and experience attained through years of practice and in that process set standards for the best buildings practices.

This department is committed to Plan, design, construct, maintain and monitor the stability of the public buildings.

The “Architectural wing” evolves Architectural Plans and the “Planning and Design Circle” prepares Structural designs and drawings.

The construction and maintenance activities for various user

departments are performed by Territorial Circles and Divisions of PWD located all over the State.

Public Works Department offers authenticated expert opinion regarding the Buildings as and when required by other Government departments.

Other activities of Public Works Department

- Construction of Manimandapams, Memorials, Monuments, etc.
- Renovation and restoration of Heritage buildings to preserve their Architectural, Aesthetic, Historic and Archaeological values.
- Maintenance of Secretariat, Raj Bhavan buildings at Chennai and Udthagamandalam, Hon'ble

Judges, Hon'ble Ministers and other VVIP's Bungalows, Inspection Bungalows, Circuit Houses and other Government Buildings.

- Execution of Natural calamity reconstruction works like Coastal Disaster Risk Reduction Project.
- Execution of Local area development scheme works under Constituency Development Fund allotted to the Member of Parliament and Member of Legislative Assembly.
- Arrangements for VIP & VVIP's visits such as stage erection, barricading and lighting arrangements, providing Public Address System and issuing of stability certificate.

- Local Valuation of buildings referred to by the Judicial Department, Vigilance and Anti-Corruption Department.
- Issue of Structural Stability Certificate for Cinema Theatres, Schools and College Buildings.
- Issue of Reasonableness of Rent Certificate for the private buildings occupied by the Government Offices and Government Buildings.
- Revision of Standard Schedule of Rates and fixing plinth area rates every year.
- Providing Technical Guidance / Training to the Engineering students from various Engineering Colleges for the

enrichment of their technical knowledge.

2.0. SERVICES OF PUBLIC WORKS DEPARTMENT

The services of Public Works Department are utilized by the following Government Departments:-

- Health & Family Welfare Department
- School Education Department
- Revenue and Disaster Management Department
- Judicial Department
- Transport Department
- Agriculture Department
- Backward Classes & Most Backward Classes and Minorities Welfare Department

- Tourism, Culture and Religious Endowments Department
- Commercial Taxes and Registration Department
- Animal Husbandry, Dairying & Fisheries Department
- Labour and Employment Department
- Tamil Development and Information Department
- Law Department
- Fire & Rescue Services Department
- Co-operation, Food and Consumer Protection Department
- Environment and Forests Department
- Finance Department (Pay and Accounts Offices and Treasuries)
- Handlooms, Handicrafts, Textiles and Khadi Department
- Industries Department

- Social Welfare and Nutritious Meal Programme Department
- Welfare of Differently Abled Persons Department
- Youth Welfare and Sports Development Department

3.0. ARCHITECTURAL WING

The Architectural wing is functioning under the administrative control of the Engineer-in-Chief (Buildings), Public Works Department, Chennai and headed by the Chief Architect, Public Works Department, Chennai. The Architectural wing evolves preliminary drawings, detailed plans, elevations and cross sections for construction of new buildings.

Suitable Plan and Designs are prepared considering the utility aspects of the buildings such as office, educational, medical and

residential purposes. This wing evolves layout plans for large complexes, besides evolving plans for Memorials, Manimandapams, Parks, etc.

All the drawings prepared by the PWD Architects adhere to the standard codes published by the Bureau of Indian Standards, International Special and Space Standards for Barrier free built environment for the differently abled.

Further, the plans shall incorporate rules, regulations and amendments issued by Central and State Governments with respect to building construction.

4.0. PLANNING AND DESIGN CIRCLE

The Planning and Design Circle provides the services of preparation of best structural designs complying with the Indian standard codes and for incorporating modern technology in the field of Building construction and various circulars are issued based on the practical knowledge acquired by this department over the period of many decades.

Further, a Division known as Tamizhaga Arasu Building Research Station is functioning under the control of Planning and Design Circle in order to give importance to technical excellence, research and quality of construction materials.

The buildings designed in this circle shall fulfill the following objectives:-

- Optimize utilization during the intended life of the building.
- During construction and usage, the building shall withstand the weight loaded over the building.
- Should be durable.
- Should adequately resist to the effects of misuse and fire.
- Should withstand natural calamities such as earthquakes.
- Analysis & Design of RCC structures including multi-storeyed building and steel roof structures using computerised structural Softwares.
- Checking the detailed designs and drawings for compliance of code.

ACTIVITIES OF TAMIZHAGA ARASU BUILDING RESEARCH STATION

- Conducting quality tests on steel and concrete, conducting meetings to introduce new construction materials available in the market and introduction new technologies to the Engineers.
- Maintaining a Technical Library with Technical books and copies of Indian Standard Codes for use by the Civil Engineers.
- The Engineers use these technical books for guidance in execution of building works.

5.0. ELECTRICAL WING OF PWD

The internal and external electrical works to the Government buildings and complexes constructed by Public

Works Department are executed and maintained by Electrical Wing of PWD.

Electrical arrangements are made during for the VVIP visits and Government functions.

Solar power Electrical Systems to the Circuit House / Inspection Bungalow under the control of Public Works Department Buildings organization are installed by the Electrical Wing of Public Works Department.
