# INTRODUCTION

**கருவியும் காலமும் செய்கையும் செய்யும்**

**அருவினையும் மாண்டது அமைச்சு**

**(அதிகாரம்-64, குறள்-631)**

“A wise minister is one who can make an appropriate choice of means, time and manner of execution in his undertakings”. Pursuing this as a guideline on ethics in the above Thirukkural, Public Works Department Construct Government buildings with planning and design according to the requirements and ensuring the soundness of the buildings within the strategic policy and budgetary control of the Government and expedite the buildings to usage, to cater to the needs of the public.

Public Works Department is the oldest technical department creates State’s capital assets and developing infrastructure to the society for the betterment of the people since 1858.

Public Works Department delivers its prime service to all Government departments in constructing buildings and special structures, undertaking their maintenance and giving

technical expertise to all Government departments.

One of the significant activities of the Public Works Department is conserving our heritage of historical and cultural values by renovation and restoration of the State Monuments, Memorials and Heritage buildings.

Public Works Department being a part of the growth of the Nation's economy is constantly striving to make innovations in the building material technology and construction activities for creating sound capital assets and paving a way for the sustainable development of the State.

## 1.0. OBJECTIVES:

Through the united efforts of various wings of the Public Works Department viz. Architectural, Planning and Design, Construction and Maintenance, Electrical and quality control, the department creates lasting capital assets for Government departments by implementing innovation methodologies to obtain safety, while ensuring economical and optimal utilization of resources.

The Funds allocated under various Government schemes for the welfare of the people are properly accounted by maintaining the register for recording of expenditure incurred.

**“நாடு உனக்கு என்ன செய்தது என்று எண்ணாதே  
நாட்டிற்கு நீ என்ன செய்தாய் என்று எண்ணிப்பார்”**

As said above, by Thiru. John F. Kennedy, former President of America, this department works with dedication and extending support for the development of the State.

**ஒன்றே செய்யவும் வேண்டும்-அவ்வொன்றும்  
நன்றே செய்யவும் வேண்டும்-அந்நன்றும்  
இன்றே செய்யவும் வேண்டும்-அவ்வின்றும்  
இன்னே செய்யவும் வேண்டும்.**

As stated in Kabilar Agaval, the purpose of this department is to add pride to the Government, to work and complete any task undertaken by the Government as promised immediately without setting it aside for tomorrow.

## **2.0. MISSION**

Mission of the Department is to work tirelessly for:

Creation of capital assets as per the requirements of Government Departments.

Maintenance of Government's Building assets.

Research, Training and Capacity building on Construction Technology.

Renovation, Restoration and Conservation of Heritage buildings, Monuments and Memorials having historical and cultural values.

Making an arrangement in connection with the VIP visits and important Government events.

## **3.0. VISION**

To make the Tamil Nadu Self Reliant by improving Building infrastructure of the State to cater to the needs of Citizens of Tamil Nadu.

To work towards using cutting edge building construction technologies in all aspects of designing, aesthetics, functionalities and accessibility with cost effectiveness.

Ensuring transparency and better governance through Complete Digitalization and providing seamless information about the activities of Government to the people.

#### **4.0. WINGS OF PUBLIC WORKS DEPARTMENT**

##### **4.1. Architectural wing**

The Architecture wing adds creative and artistic elements to the building for architectural drawings and project guidance. Considering the limits and capabilities of the work site, future expansion, forecasting and cost estimation of technical ideas, project timing barrier free environment for Differently Abled, minimizing the use of energy and utilizing more non-conventional resources, the Wing prepares 2D and 3D drawings of the planned building.

The Architecture wing has extensive experience in providing optimal buildings designs for various departments of the Government of Tamil Nadu.

The Architectural wing has specialization in creating iconic building drawing using three dimension techniques for important Government buildings such as Government Medical Colleges, Multi Super Specialty Hospitals, Collectorate buildings, Combined court buildings, Memorial of Penny Quick, Manuneedhi Chozhan, Kattabomman, etc.,.

## **4.2. Planning and Designs Circle**

The foremost role of Planning and Designs circle is evolving structural design and structural drawings for execution of buildings in compliance with the codes of Bureau of Indian Standards(BIS) to counter all types of loads like wind load, seismic load, etc., with latest technology and effectively utilizing the technical knowledge and experience.

It is involved in developing structural designs for all Government buildings like Medical College buildings and Hospitals, Collectorate buildings, Court buildings, Government houses and Residential apartments and Memorials etc.,.

The wing is also involved in issuing Technical circulars to guide PWD engineers to carry out the effective and quality construction.

Issuing Structural Soundness Certificate for Public buildings, new and old Cinema Theatres.

#### **4.3. Tamilaga Arasu Buildings Research Station**

Approval of construction materials for the quality through Assessment Committee and Testing of construction materials in laboratory.

Providing training and technical consultancy services to various Government Departments and Organisations.

So far about 2400 concrete cubes, 1900 Steel samples, 40 cement samples, 50 brick samples, Aggregates (both fine and coarse) 70 samples have been tested, since 2014.

#### **4.4. Quality Control Wing**

This wing is responsible for regular inspection of the sites to ensure that the construction of project meets the standards specified in the contract. Tests of the quality of the materials are conducted and the results are reported to the concerned authority.

#### **4.5. Electrical Wing**

The Electrical wing is functioning since 1968 under the Department to carry-out the electrical works.

All electrical works are executed strictly adhering to the Tamil Nadu Electricity Act and Central Electricity Authority Regulations.

The electrical wing started with minor works as fitting electric lights, fans and kept on upgrading its expertise for the last 50 years keeping pace with the need to deal with fast changing modern electrical and electronic techniques.

At present the electrical works include HVAC, Ductable and VRF AC system, Lift, Generator and Transformer, Public address system, Intercom, Video conference, CCTV and Fire alarm arrangements, LAN arrangements, High mast light and Solar power system, etc.,

The magnificent electrical works executed for the historical projects such as Valluvar Kottam, Kalaivanar Arangam, Arignar Anna Centenary Library, Madurai Bench of Madras High Court and World Tamil Conferences, etc., stand as a testimony of the contribution made by the electrical wing.

The temporary electrical arrangements for the Government functions and during the VVIP visits are executed in an avid manner.

During the Corona epidemic, in all Government Hospitals and Medical College Hospitals, District

Head Quarters, Hospitals and wherever necessary, the electrical works for the isolated bed units were completed in a short time, in accordance with the relevant regulations.

The fool-proof electrical arrangements have been made by the electrical wing in Kalaivanar Arangam for the Tamil Nadu Assembly Session; in order to implement the dream of “Paperless Legislative Assembly” for the ensuing Assembly Session.

#### **4.6. Directorate of Boilers**

The Directorate of Boilers works under the control of Public Works Department, and is responsible for approving and certifying the boilers and their spare parts manufactured by the boiler manufacturers as well as inspecting the boilers and ensuring their safety.

### **5.0. SERVICES**

#### **5.1. Standard Schedule of Rates**

To enable for preparation of detailed estimates for the construction of all Government buildings, the Standard Schedule of Rates are published every year by the Schedule of Rates Committee and communicated to all departments.

## **5.2. Plinth Area Rate**

Plinth Area Rate helps to prepare rough cost estimates per square meter for construction of buildings. Plinth Area Rates are prepared based on the Standard Schedule of Rates and published every year.

## **5.3. Building Valuation Rate for Registration Department (Plinth Area Rate)**

For the purpose of fixing Stamp duty by the Registration department, the building valuation rate is issued by the Public Works Department every year.

## **5.4. Structural Stability Certificate**

Issue of Structural Stability Certificate for various Public Buildings such as Schools, College Buildings and Cinema Theatres is done by the Public Works Department.

## **5.5. Rent Reasonableness Certificate**

Public Works Department issues Rent Reasonableness Certificate for the Government Office functioning in private buildings and Government buildings.

## **5.6. Technical Guidance**

Public Works Department impart Technical guidance and training to the students from various Engineering Colleges to enrich their technical knowledge and helping in their Career growth.

## **5.7. Recommendation for Private Panel of Engineers at District Level**

Based on the approval of the Board of Engineers of Public Works Department necessary recommendation is issued to the District Collector for registering the panel of private practicing engineers in the district concerned for rendering private engineering services.

## **5.8. Inspection Bungalow and Circuit House**

Public Works Department maintains 65 Inspection Bungalows and 61 Circuit Houses in Tamil Nadu with a total accommodation of 516 number of rooms.

## **5.9. Government Staff Quarters**

During the discussion on the Public Works Demand for the year 2010-11 in the Legislative Assembly, then Hon'ble Chief Minister of Tamil

Nadu, Dr. Kalaignar M. Karunanidhi accepted the request of the Government employees made an announcement for the construction of 1500 new quarters at a cost of Rs.184.06 Crore in Todd Hunter Nagar, Saidapet, Chennai. Accordingly, 940 quarters have been completed so far. Construction of 190 'B' type quarters are in progress.

### **5.10. Maintenance of Heritage Buildings**

Heritage buildings such as the Kalasa Mahal Building in Chepauk, Egmore Court Building and Museum Building, High Court Building of Madras and the Public Works Department Headquarters have already been renovated by the Public Works Department.

Renovation Works are in progress at Humayun Mahal in Chepauk, Chennai, University of Madras Building and Deputy Registrar's Office Building in Rajaji Road, Chennai, Kuthiraivandi Court Building, Coimbatore, Old Labour Court Building, Salem, Old District Collector's Office, Governor's House, Coimbatore and Kohinoor Sheik Abdullah House, Kodaikanal.

The Building Center and Conservation Division is functioning to maintain and renovate archeological and heritage buildings in the best possible manner without altering the antique look.

Humayun Mahal, Chepauk, Chennai

Old Collectorate Building, Trichy  
(Rani Mangammal Palace)

Governor Bungalow, Coimbatore  
(Old Forest Office)

Renovation of Heritage Buildings being undertaken by Public Works Department

## **5.11. Keezhadi New Excavation Museum**

An archeological site with ancient urban civilization and industrial area have been discovered in the area of about 110 acres under the Tamil cultural extension at Keezhadi near in Madurai and thousands of archeological materials have been unearthed by the Tamil Archaeological Department.

The Tamil Nadu Public Works Department is in the process of setting up a museum with world-class modern facilities to display the artifacts found in the Keezhadi excavations.

The excavation Museum buildings work is being carried out at a cost of Rs.11.03 Crore with total built up area of 31,919 square feet covering 6 major building blocks. The Museum will display artefacts such as stone, metal, beads, ivory, animal artefacts and terracotta pots.

The design of excavation buildings is being set up with courtyards, porches and halls to express the artistry of the houses in the area. In addition, it will showcase the artistic and craft talents of the local people.

## 5.12. Rain Water Harvesting

”வான்நின்று உலகம் வழங்கி வருதலால்  
தான் அமிழ்தம் என்றுணரற் பாற்று”  
(அதிகாரம்-2, குறள்-11)

Knowing the significance of rain water harvesting as said in the above Thirukkural, intensive steps are taken by the Public Works Department to promote rainwater harvesting by providing rainwater harvesting structure in all Government buildings. The Different types of arrangements are adopted depending on the different sites and soil conditions.

In 50,601 Government buildings, 62,855 numbers of Rain Water Harvesting Structures have been provided by Public Works Department. In the newly constructed buildings the rain water harvesting structures are included as a mandatory arrangement.

The rain water harvesting existing structures are subjected to periodic inspection and maintenance to ensure the quality of Structures before the Monsoon for effective rain water harvesting.

## 5.13. Disaster Management

Disaster Management involves engineering intervention in buildings and structures to make

Hon'ble Minister for Public Works inspected the Archaeological Museum building works at KEEZHADI in Sivagangai District along with Hon'ble Ministers on 26.06.2021.

them strong enough to withstand natural hazard so that the exposure of the society to hazard situation could be avoided or minimized.

Disaster Risk Reduction during the monsoon, Cyclone period is a major challenge necessitating meticulous planning and extensive preparedness at 3 stages viz., pre-disaster, during disaster and post disaster.

Public Works Department provides the framework for responding to disasters such as Cyclone, Flood inside building and preparedness for evacuation.

Public Works Department preparedness includes intensive survey and inspection of all Government Campus and Government Buildings maintained by the Public Works Department, ensuring the power backup arrangements specifically to ICU/CCU in Government Hospitals, adequate safety measures in Government buildings to prevent seepage of water, Stability of roof terrace and buildings, Identifying weak and dilapidated structures should be improved then and there.

### **5.13.1. Natural Disasters Mitigation Measures**

Every building shall be so planned, designed, constructed, equipped, maintained and operated

so as to provide not only adequate comfort to the occupants but also to take meticulous care to avoid undue danger to the life and safety of the occupants from Fire, Earthquake, Tsunami, Cyclone, Flood and other hazards.

The Government buildings are constructed based on the Codes published by the Bureau of Indian Standards including the National Building Code 2016. Public Works Department ensures the stability of the buildings and structures, in Design and Construction with respect to Fire, Earthquake, Tsunami, Cyclone, Flood and other hazards.

#### **5.14. Creation of Barrier Free Environment for the Differently Abled Persons**

Public Works Department works for improving the accessibility and barrier free construction for Differently Abled Persons in compliance with the Persons with Disabilities (Equal opportunities, Protection of Rights and Full Participation) Act, 1995 by building barrier free environment in construction and maintenance works in all categories of buildings and facilities used by the public by making them accessible to and functional for Differently Abled Persons following the general guidelines and space standards for barrier free built environment.

The goal of barrier free design is to provide an environment that supports the independent functioning of individual so that they can get to and participate without assistance, in everyday activities.

Public Works Department provides the following facilities in existing building and newly constructed buildings:

#### **5.14.1. Signage**

Signs are provided at junction of circulation routes and key destinations such as doorways at reception points, toilets, drinking water facility, etc. A clear indication of the existence of steps or ramps on route shall be provided at both ends of the route.

#### **5.14.2. Accessible Entrance**

Accessible identification signages to identify the accessible entrance are provided. Difference in floor finish that is made identifiable by visually impaired persons at the door entrance and proper tactile tiles shall be provided.

#### **5.14.3. Ramp with handrails**

Every Government building under Public Works Department maintenance is being made at least one entrance accessible to the differently abled

persons and shall be indicated by proper signage. Ramp with hand rails are being provided with anti-skid tiles to enter the building.

#### **5.14.4. Toilets**

Toilets floor finishing is done with anti-skid surface without any level difference. Light weight PVC door are being provided as a sliding door. Provision of vertical and horizontal hand rails. The toilet bowls are being preferably as a stool type. The toilet bowls to have a handrail installed. Also an indication is being provided on the outside of the wall to show that the toilet is occupied.

#### **5.14.5. Lift**

Lifts with accessibility features are being provided in every building. A hand is fixed adjacent to the control panel of the lift. The interior of the car is provided with audio device telling which floor the car has reached and whether the door of the car is either open or close.

#### **5.14.6. Braille / Raised Letters for Visually Impaired persons.**

In the Lift buttons Braille raised letters are being embossed for easy operation by the impaired persons.

### **5.14.7. Barrier free environment for disabled in the election booth**

All polling booths are being set up with a variety of functions such as ramp and reclining chairs so that the disabled can easily vote during the election.

### **6.0. Taking up the challenge of providing medical infrastructure to help fighting the Covid-19 pandemic in the shortest possible time:**

To fight Covid-19, emergency works were taken by the Public Works Department for immediate creation of required infrastructure to reduce the sufferings of corona affected persons and increase the recovery rate of Covid-19 Patients.

Oxygen pipeline installation and related works for providing additional beds in Corona wards were completed by the Public Works Department in the shortest possible time.

Created isolated wards and provide separate facilities such as toilets, water facilities, drinking water, septic tanks and electrical facilities.

Provided facilities for Doctors and Paramedical staff. Setting up guide boards and erecting barrier fences.

To face the corona pandemic situation, out of 44,098 beds for corona patients, 36,364 beds

have been provided with oxygen facility in all the Medical College Hospitals, District Head Quarters Hospitals and Primary Health Centres in Tamil Nadu in a short period of time by the Public Works Department and put into use.

In addition, the foundation stone was laid by Hon'ble Chief Minister of Tamil Nadu on 23.05.2021 for upgrading the Periyar Nagar Government Peripheral Hospital in the Kolathur Constituency of Chennai to a 300 bedded Government Hospital and the work was completed at a cost of Rs.19.42 Crore and inaugurated by Hon'ble Chief Minister on 13.08.2021.

## **7.0. CRUSHED STONE SAND (COMMONLY KNOWN AS M-SAND)**

The quality of crushed stone sand as an alternative to river sand used in construction is being approved by the Public Works Department.

The crushed stone is approved for its quality only by the technical Assessment committee based on the test results and regulations of the required machinery and samples. So far, 358 companies have been certified for quality.

Additional Bed facilities at Rajiv Gandhi Government General Hospital

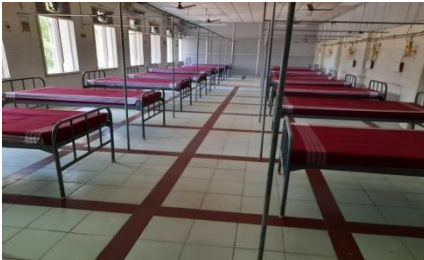

Isolation Ward at Omandurar Government Medical College, Chennai

Medical Oxygen facilities at Government Stanely Hospital, Chennai

Water Supply & Toilet facilities at ESI Hospital, Combatore

Additional Bed facilities at Government Hospital, Kancheepuram

Additional beds with Medical Oxygen facilities at Government Hospital, Ponneri

Works for CORONA Preventive Measures undertaken by Public Works Department in short span of time

Hon'ble Chief Minister inaugurated the Upgraded Government Peripheral Hospital at Periyar Nagar, Kolathur Constituency, Chennai on 13.08.2021

## **8.0. HON'BLE CHIEF MINISTER ANNOUNCEMENTS**

### **8.1. Muthamizh Arignar Kalaighnar Memorial at Kamarajar Salai, Chennai**

Hon'ble Chief Minister made Announcement under Rule 110 on the floor of Legislative Assembly on 24.08.2021 that a Memorial for former Chief Minister, Muthamizh Arignar Kalaighnar would be constructed at Kamarajar Salai, Chennai at an estimated cost of Rs.39.00 Crore. This memorial will be built on an extent of 2.21 acres with modern illustrative display to acclaim and made known to the people and the future generations about the excellent deeds, life time achievements and thoughts of Muthamizh Arignar Kalaighnar.

### **8.2. Kalaighnar Memorial Library**

On 3.6.2021 Hon'ble Chief Minister of Tamil Nadu announced that an international standard public library will be constructed in Madurai in memory of Kalaighnar.

The estimate for the work of construction of "Kalaighnar Memorial Library" at Madurai has been prepared at a cost of Rs. 99.00 Crore as per the requirements of the Public Libraries Directorate.

The library building will cover an area of approximately 2,00,250 square feet, including the basement floor, ground floor and additional six floors.

The library will have a variety of sections such as Rare Books Section, Competitive Exam Books Section, and Children Section, Digital Library, Sections for the visually-impaired and the differently-abled. A good learning environment with modern technology for all sections of the community will be created. Also, facilities such as elevators, escalators, and ramps make it easy for the elderly, children, and the disabled to access all floors of the Library building.

### **8.3. Memorial for Writer Thiru K.Rajanarayanan**

On 3.6.2021 Hon'ble Chief Minister of Tamil Nadu announced that a Memorial with a library will be set up for the renowned Tamil writer and folklorist Mr. K. Rajanarayanan. Construction of a memorial with a library for an area of 277 square meter in Taluk Office complex in Kovilpatty at Thoothukudi District at a cost of Rs.1.50 Crore is to be taken up shortly.

Artistic view of Muthamizh Arignar Kalaignar Memorial at Kamarajar Salai, Chennai announced by Hon'ble Chief Minister under Rule 110 of Legislative Assembly on 24.08.2021

#### **8.4. MULTI SUPER SPECIALITY HOSPITAL AT CHENNAI**

On 03.06.2021 Hon'ble Chief Minister of Tamil Nadu announced that a Multi Super Specialty Hospital at an estimated cost of Rs.250 crore will be set up in the premises of the King Institute of Preventive Medicine and Research Centre, Guindy, Chennai.

In the premises of the King Institute of Preventive Medicine and Research Centre, Guindy, Chennai, approximately 4.89 acres of land has been selected for the construction of the Multi Super Specialty Hospital with a capacity of 500 beds and it is to be set up on an area of 41,400 square meters with ground floor and six floors with all kind of facilities.

#### **9.0. MAJOR WORKS**

##### **9.1. COMMEMORATION PILLAR IN CHENNAI TO COMMEMORATE THE 75<sup>TH</sup> ANNIVERSARY OF THE INDEPENDENCE DAY**

As per the orders of Hon'ble Chief Minister of Tamil Nadu to commemorate the 75<sup>th</sup> Anniversary of Independence of India, the Government have issued orders to construct a Commemoration Pillar at the junction of Kamarajar Road and Swami Sivananda Road in

Chennai with a total height of 59 feet at a cost of Rs.1.95 Crore. The construction of Commemoration Pillar was completed in a record 10 days time.

After hoisting the Indian National Flag at Secretariat, Fort Saint George, Chennai for the 75<sup>th</sup> year celebration of Indian Independence Day for which special arrangements and grand decoration were done by the Public Works Department, Hon'ble Chief Minister unveiled the Commemoration Pillar on 15-08-2021.

The foundation stone for the Anna centenary library was laid by the former Hon'ble Chief Minister Muthamizh Arignar Kalaignar on 16.08.2008 at Kotturpuram, Chennai. Accordingly, the construction work has been completed by Public Works Department and put in to use by public.

This is globally acclaimed and South Asia's largest Library of international standards with modern facilities to cater ordinary, poor students and it is also provided with Braille section for visually-impaired.

At present, after the assumption of charges by the new Government, as per the orders of the

Front elevation view of Multi Super Speciality Hospital Building at King Institute, Guindy, Chennai announced by Hon'ble Chief Minister on 03.06.2021

Hon'ble Chief Minister hoisted the National Flag on 75th Independence Day celebration. Grand arrangements made by Public Works Department

Hon'ble Chief Minister unveiled the 75th Year of Independence of India Commemoration Pillar at Chennai on 15.08.2021

Hon'ble Chief Minister unveiled the 75th Year of Independence of India Commemoration Pillar at Chennai on 15.08.2021 and viewing the Photo Gallery

Hon'ble Chief Minister of Tamil Nadu, an estimate for an amount of Rs.34.88 Crore has been prepared for the renovation and restoration of this library building.

### **9.3. SPECIAL REPAIR WORKS IN VALLUVAR KOTTAM CAMPUS**

Valluvar Kottam, one of the historical monuments was established in the memory of Thiruvalluvar who composed the Thirukkural 2000 Years ago.

Special Repairs, Landscape arrangements, other facilities and Electrical Works in Valluvar Kottam premises, Nungambakkam, Chennai at an estimated cost of Rs.33.66 Crore will be taken up for implementation.

Special repairs to leaky roof, Damaged flooring, Thirukkural Arangam, Library, etc,.

Providing landscape arrangement

Providing musical fountain arrangements.

### **10.0. OUTLAY FOR 2021-2022**

During the financial year 2021-2022, it is proposed to carry out works under the following heads of account to the tune of

Rs.2174.01 Crore in Public Works Department-  
Demand No.39.

<b>Sl. No</b>	<b>Description</b>	<b>Amount [Rs. in Crore]</b>
<b>1</b>	<b>Capital Account</b>	
	(a) Capital Works	1629.14
	(b) Accounts Transfer	149.92
<b>2</b>	<b>Revenue Account</b>	
	(a) Maintenance	160.33
	(b) Establishment (including Secretariat- PWD)	234.52
<b>3</b>	<b>Loan Account</b>	0.10
	<b>Total</b>	<b>2174.01</b>

Hon'ble Minister for Public Works inspected the Valluvar Kottam at Chennai on 02.07.2021 for carrying out renovation work

## 10.1. SECTOR-WISE OUTLAY 2021-2022

### 10.1.1. CAPITAL WORKS

Sl. No	Name of the Department	B.E. 2021-2022 (Rs. in Crore)	% with reference to total outlay
1	Public Works	171.03	10.50
2	Health & Family Welfare	164.68	10.11
3	Home (Judicial & Law)	536.30	32.92
4	Revenue and Disaster Management	498.99	30.63
5	Commercial Taxes	58.85	3.61
6	Registration	32.21	1.98
7	Conservation of Heritage Building	119.84	7.35
8	Other Departments	47.24	2.90
	<b>Total</b>	<b>1629.14</b>	<b>100.00</b>

## 10.2. MAINTENANCE OF GOVERNMENT BUILDINGS

### 10.2.1. BUILDINGS OWNED BY PWD

In the Budget Estimate for 2021-2022 under Public Works Department – Buildings, Demand No.39, an amount of Rs.160.33 Crore is allotted towards maintenance and repair works in Government Bungalows occupied by the Hon'ble Ministers, Inspection Bungalows, Circuit Houses,

Public Works Department Office Buildings and Government Staff Quarters.

## **10.2.2. OTHER DEPARTMENT BUILDINGS**

In the Budget Estimate for 2021-2022 under other Demand Heads, an amount of Rs.362.33 Crore is allotted towards maintenance and repair works in the Hon'ble Governor's Bungalow, Secretariat Buildings, High Court Buildings, District and other Subordinate Court Buildings, Government Bungalows occupied by the Hon'ble High Court Judges, M.L.A. Offices, Hospitals, Medical Colleges, Primary Health Centres, Health Sub Centres, Schools, Revenue and Disaster Management Department Buildings, Agriculture Buildings, Registration Office Buildings and other Government Buildings. The works are to be taken up on priority basis.

## **11.0. DEPARTMENT-WISE BUILDING WORKS**

### **11.1. ADI DRAVIDAR AND TRIBAL WELFARE DEPARTMENT**

Conversion of Adi Dravidar Welfare Primary School Hostel Building at Kodambakkam in to Transit Guest Hostel at an estimated cost of Rs.1.09 Crore is to be taken up shortly.

Hon'ble Chief Minister reviewed the activities of Public Works Department on 13.07.2021 at Secretariat, Chennai

## **11.2. ANIMAL HUSBANDRY, DAIRYING, FISHERIES AND FISHERMAN WELFARE DEPARTMENT**

Under NABARD assistance, the Construction of Veterinary Hospital, Veterinary Dispensaries, Clinician centers and Animal Diseases and Intelligence Unit for Veterinary & Animal Husbandry Department at Various places across Tamil Nadu done by Public Works Department.

Establishment of Advanced Institute for Integrated Research Livestock & Animal Sciences (AIIRLIVAS) at Thalaivasal Koot road in Salem District for 10 works at an amount of Rs.313.60 Crore sanctioned by the Government in which Construction of Veterinary College and Research Institute with additional Infrastructural facilities for an amount of Rs.118.76 Crore is completed and Inaugurated and in remaining 8 works, 7 works are in progress and 1 work is in tender stage.

In Animal Husbandry Department, out of 180 building construction works at a total estimated cost of Rs.436.815 Crore, 109 works are in progress at an estimated cost of Rs.388.21 Crore. The details are as below:-

Sl. No	Details of work	Estimate Amount (Rs.in Crore)
	<b>Works in progress</b>	
1	Construction of Veterinary Dispensaries, veterinary Hospital ,clinician centers and Animal Disease Intelligence Units at 1 place (Phase XXII), 10 places (Phase XXIII) , 29 places (Phase XXIV) and 60 places (Phase XXV) under NABARD Assistance.	41.24
2	Construction of Veterinary College and Research Institute at Pannaikenaru Village, Udumalpet taluk in Tiruppur district and Veerapandi village in Theni District.	164.26
3	Establishment of Advanced Institute for Integrated Research in Livestock & Animal Sciences at Thalaivasal Kootroad in Salem District. Construction of Admin Block, VIP Guest house, Entrance Arch, Compound wall. Livestock farm Complex (Poultry I &II) Extension & Skill Development Complex, Post Graduate Education Complex, Research Complex, Business Incubation centre and Meat Production & Processing.	182.71

**Details of 71 works to be taken up at an estimated cost of Rs. 48.605 Crore are as below:-**

Construction of Veterinary Dispensaries at 3 places under NABARD Assistance (Phase XXIII) at an estimated cost of Rs.0.945 Crore.

Construction of Veterinary Dispensaries and Clinician Centres at 17 Places under NABARD Assistance (Phase XXIV) at an estimated cost of Rs.6.15 Crore.

Construction of Veterinary Dispensaries at 38 places under NABARD Assistance (Phase XXV) at an estimated cost of Rs.15.20 Crore.

Construction of Office Building for the office of Joint Director of Animal Husbandry Department, Thanjavur at an estimated cost of Rs.1.69 Crore.

Construction of New Building for Veterinary Poly Clinic at Tiruppur at an estimated cost of Rs.2.49 Crore.

Construction of Field Monitoring and Farmer's Information Centre in 10 Districts for an estimated cost of Rs.10.00 Crore.

Establishment of Advanced Institute for Integrated Research in Livestock & Animal Science at Thalaivasal Kootroad in Salem District. Construction of Public Interaction Zone for an estimated cost of Rs.12.13 Crore.

### 11.3. BACKWARD CLASSES, MOST BACKWARD CLASSES & MINORITIES WELFARE DEPARTMENT

Construction and Maintenance of Hostel buildings for the Backward Classes, Most Backward Classes, De-notified Community and Minorities Welfare Department are carried out by Public Works Department.

Out of 60 building construction works at a total estimated cost of Rs.120.95 Crore, 42 works are in progress at an estimated cost of Rs.84.99 Crore. The details are as below:-

Sl. No	Details of work	Estimate Amount (Rs. in Crore)
	<b>Works in progress</b>	
1	Construction of Laboratories, Additional Class Rooms, Additional Toilets, Compound Wall and Bore Well to (18 works) Kallar Elementary / Middle / High / Higher Secondary Schools under Phase-24.	12.49
2	Construction of Hostel Buildings with Solar Energy System for Backward Classes, Most Backward Classes, De-notified Community and Minority Students at 23 places	68.16
3	Construction of Retaining wall on Four sides of Nagore Dargah pond at Nagore in Nagapattinam District.	4.34

**Details of 18 works to be taken up at an estimated cost of Rs.35.96 Crore areas below:-**
