**CITIZEN CHARTER
2016**

DEPARTMENT OF SERICULTURE

CITIZEN CHARTER - 2016

Sericulture is an agro based labour intensive industry providing livelihood opportunities to rural folks owing to its high employment potential, low capital investment and remunerative nature. Sericulture industry provides employment to a sizeable portion of economically weaker section of the society, including women in rural and semi-urban areas.

- ★ Assistance will be provided to farmers to plant high yielding mulberry varieties.
- ★ Incentive will be provided to farmers, who produce Bivoltine cocoons.
- ★ Farmers will be trained in adopting new technologies in Sericulture activities.
- ★ Farmers will be motivated to rear silkworm by using shoot rearing racks.
- ★ Farmers will be assisted to construct separate rearing houses.
- ★ Procurement of improved rearing equipments for Sericulture farmers.
- ★ Farmers will be assisted to install Drip Irrigation system in mulberry gardens.
- ★ Farmers will be assisted to cover their silkworm crop and assets under crop insurance scheme.
- ★ Assisting farmers to establish Chawkie Rearing Centres and Seri Polyclinics.
- ★ Reelers will be assisted to install Multi-end Reeling Machines / Automatic Reeling Machines.
- ★ Reelers will be provided incentive for production of Bivoltine silk.

The details of assistance being provided to the farmers under various beneficiary oriented schemes are furnished below:

S.No.	Name of the Scheme	Scheme Components	Assistance proposed per Beneficiary (in Rs.)	Who are eligible to utilise the assistance	Whom to be contacted	Time Schedule to apply	Period of scrutini- zation of the applications
1	2	3	4	5	6	7	8
