

P.N.No.115

Statement by Kalaignar M.Karunanidhi,

Chief Minister of Tamilnadu

2-9-2006

The Project for setting up of a Satellite City adjoining Chennai, which was incorporated in the D.M.K. Election Manifesto, Governor's address and the Budget and on which I read a Statement in the TamilNadu Legislative Assembly under Rule 110 is dropped. This is being done after pondering over the advice of the fraternal parties given out of goodwill and as a measure of precaution that innocent public should not fall a prey to a few selfish and evil forces planning blatant violence in the name of this project.
