

P.N-No:-95

M. KARUNANIDHI
CHIEF MINISTER

SECRETARIAT
CHENNAI - 600 009

Date: 6.7.2007

Dear P.M.,

The Monsoon is very active in Karnataka and the dams are getting filled up. Kabini is surplussing and the inflow into Krishnarajasagar is also adequate to release sufficient quantity of water to Mettur Dam. I have seen a shocking News Item in the Dailies.

According to the News Item, the Deputy Chief Minister of Karnataka, Thiru Eddiyurappa is reported to have ordered to stop release of water from Krishnarajasagar to Tamil Nadu. They have also spread news saying that the agriculturists in Karnataka are agitating against release of water to Tamil Nadu. I am afraid whether this approach of Karnataka and its Deputy Chief Minister is in tune with the Federal structure of our Constitution. I am bringing this to your kind attention for appropriate action.

Thanking you,

M. Karunanidhi

Yours sincerely,

M. Karunanidhi

(M. Karunanidhi)

To
Dr. Manmohan Singh ji,
Hon'ble Prime Minister of India,
New Delhi.
