Dear Shri Karunanidhi ji,

I am in receipt of your letter dated 3rd January, 2011 regarding introduction of National Eligibility-cum-Entrance Examination for admission to Under Graduate / Post Graduate medical courses.

Since the Medical Council of India comes in the purview of the Ministry of Health & Family Welfare, I have forwarded your letter to my colleague Shri Ghulam Nabi Azad, Hon'ble Minister of Health & Family Welfare for taking further appropriate action in the matter.

I assure you that no proposal for a common entrance examination for engineering courses shall be finalized without consulting State Governments and working in co-operation with them.

With regards,

Yours sincerely,

(KAPIL SIBAL)
