

Press release

“Training Programme on CNC Milling (or) Turning for Entrepreneurs”

Entrepreneurship Development and Innovation Institute of Tamil Nadu (www.editn.in), (An autonomous society of the Government of Tamil Nadu), functions in a campus in SIDCO Industrial Estate at Guindy. Government of Tamilnadu had launched New Entrepreneurs-Cum-Enterprise Development Scheme (NEEDS) in the year 2013-14 to assist first generation entrepreneurs. So far 2606 entrepreneurs have been assisted under NEEDS. In addition, Prime Minister Employment Generation Programme (PMEGP) and Unemployed Youth Employment Generation Programme (UYEGP) also have helped thousands of businesses to emerge. As a part of our endeavor to enhance the skills of entrepreneurs, EDII has tied up with TVS Training and Services Ltd to conduct a training programme on **“Training Programme CNC Milling (or) Turning for Entrepreneurs”**.

With over a century of technical expertise TVS Training and Services Ltd, have built industry - oriented various training modules to improve employee competence and productivity. The above training programme will be conducted at their training facility at TVS Training and Services Ltd, No: 83-E/2, 2nd Main Road, Ambattur Industrial Estate, Ambattur, Chennai. The course objection is to assist entrepreneurs to create knowledge on CNC Lathe & Milling – Machining operation, programme and Tool path simulation and also to motivate and educate new budding engineers/first generation entrepreneurs to set up manufacturing industry in high-tech manufacturing area like CNC Machines.

Each batch of training will have 15 to 25 participants and it will be for 5 days (06.11.2017 & 10.11.2017) from 9.00 AM to 5.30 PM. The course fee per participant is Rs.1,000/-. Interested candidates may register their names with EDII, Parathasarathy Koil Street,

SIDCO Industrial Estate, Ekkaduthangal, Guindy, Chennai – 600 032 along with the Course fee. The selection will be on “First come first served basis”.

The programme is eligible for candidates College Student / Diploma / Degree / Pre-experienced who propose to buy CNC machines for their business or expand their existing business using CNC technology. Interested entrepreneurs should register their names either in the training section of website or (www.editn.in) calling **EDII before 03.11.2017**.
