

Press Release

Tamil Nadu Industrial Corporation(TIDCO) in collaboration with the French Software major Dassault Systèmes has established a Centre of Excellence named as Tamil Nadu Centre of Excellence for Advanced Manufacturing (TANCAM). This CoE envisages providing skilling in advanced technologies to Micro, Small and Medium Enterprises, students and research scholars. This Centre supports industrial growth by upskilling industrial workers, creating employable youth and is also a significant contributor to Naan Mudhalvan, the Chief Minister of Tamil Nadu's visionary project.

Tamil Nadu Centre of Excellence for Advanced Manufacturing conducted a seminar regarding the 3DEXPERIENCE Platform and 3D Designing on December 1, 2022, at 10.30 am. Representatives of more than 20 MSMEs and faculty members from Government College of Fine Arts, Government College of Architecture and Sculpture attended this seminar.

The attendees acknowledged their gratitude and admiration for the Tamil Nadu government's initiative, adding that the event was very beneficial and served as a roadmap for career advancement.

Thiru.B.Krishnamoorthy, Managing Director of TANCAM welcomed the participants and during his address mentioned that the facility has a potential to contribute to about \$250 Mn to the \$ 1 Trillion economy envisioned by the Honourable Chief Minister. Thiru.S.R. Gandhi Director of the Department of Art and Culture, during his inaugural speech spoke about the amalgamation of technology and culture which the Centre would enable. Subsequently the experienced personnel at the Centre provided an in-depth exposure to the various technological capabilities which are made available in the Centre.
