

Press Release

The Goods and Services Tax (GST) is proposed to be introduced soon to have nation-wide uniformity rate and structures.

The Goods and Services Tax Network (GSTN) which has been established to provide IT Infra structure, services for supporting implementation and administration of GST in India have created the GST portal www.gst.gov.in.

The dealers of Tamil Nadu Commercial Taxes Department are in the process of registering themselves in the GST portal. The registration in GST portal started from 4th January 2017. The dealers are registering themselves by using the provisional ids and password which is provided to them through email and through the portal <https://ctd.tn.gov.in>. The registering process was temporarily suspended from 01/05/2017 to 31/05/2017 and will re-open from 1st June 2017. The dealer migration to GST Portal in view of the implementation of Goods and Services Tax throughout the country is proposed to be closed on 15th June 2017.

The dealers have to register in GST Portal mandatorily with Digital Signature Certificate (in case of Companies) or with e-Signature (Proprietor / Partnership) using the Aadhaar Number. But, most of the dealers who have already completed the initial signing and have not completed the registration with Digital Signature Certificate / e-Signature.

Hence, all the dealers of Tamil Nadu are requested to register themselves in the GST Portal with Digital Signature Certificate / e-Signature immediately so that migration to GST will be seamless for them.
