

P.R. No. 415

Date:5.07.2011

PRESS RELEASE

Hon'ble Chief Minister of Tamil Nadu has ordered to register those students who have cleared their Higher Secondary Examination at the School itself online. This was done by integrating the database of the employment exchange with the database of the School Education Department. The orders of the Hon'ble Chief Minister have been successfully carried out and about 4.80 lakh students have been registered online as on 08.06.2011. This exercise enabled these students to register their HSC qualification without financial expenditure, loss of time and physical strain.

Now, the results of the B.E./B.Tech. Engineering examinations have been announced. About 61,200 Engineering Graduates have cleared these examinations. Mark Sheets are released recently.

The registration of B.E./B.Tech. Students is done at Professional and Executive Employment Offices at Chennai and Madurai. Professional and Executive Employment Office, Chennai caters to the needs of registrants from 16 Districts of northern Tamil Nadu. Professional and Executive Employment Office at Madurai caters to the needs of applicants residing in 16 Districts of southern Tamil Nadu.

Engineering Graduates normally approach Professional and Executive Employment Office, Chennai or Madurai for registration of their professional qualification.

In order to save time, stress and to avoid transport expenditure, it is proposed that these Engineering candidates can approach the local District Employment Office itself where they reside for their online registration, instead of travelling either to Chennai or Madurai. These Engineering graduates can go to their respective District Employment Office for their online registration, along with their Professional Mark Sheets, Ration card, 10th or +2 Mark Sheet, Community Certificate, Transfer Certificate. The local Employment Officer will then register these registrants either at Professional and Executive Employment Office, Chennai or Madurai, based on the districts where they reside, as per their ration card. Employment Identity card will be issued immediately after registration in the Districts.
