

**DIRECTORATE OF TECHNICAL EDUCATION  
TAMIL NADU ENGINEERING ADMISSIONS – 2024**

Online registration for Tamil Nadu Engineering Admissions 2024 happened between 06.05.2024 and 06.06.2024. Based on the students request registration was extended from 10.06.2024 to 12.06.2024. The total number of applications registered – 2,09,645. After certificate verification, the rank list was published on 10.07.2024 for the eligible students.

In-order to maintain the transparency, the rank list for 1,97,601 candidates is made available in the TNEA official website [www.tneaonline.org](http://www.tneaonline.org) with the following fields in PDF format . Rank, Application Number, Name of the candidate, Date of Birth, Aggregate Mark, Community and Community Rank and nowhere the mobile number and district of the students are given.

Someone who causes chaos, manipulated the data available in the website and added district and mobile number of the students, which were 88.34% not correct, that is the mobile number and district of the students given in the manipulated data is not matched with the student's phone numbers and district available in the official database of TNEA.

Since database server is configured securely with firewall, secure socket layer certificate and virtual private connection with application server the data breaching is absolutely not possible. In this regard, a compliant will be launched to cyber crime department in order to take action against the persons involved in manipulating the data.

TNEA'2024 counselling commenced on 22.07.2024 and so far in special reservation 836 students were allotted and in round one 24,177 students were allotted. All the allotted candidates list will be published in the official website of TNEA and the counselling is being conducted with 100% transparency.

The students are advised not to listen any unauthorized phone calls regarding admissions and don't share the username and password with anyone. According to their choices and merit, seats will be allotted in a transparent manner.

Students are also advised to participate in the counselling without fear and exercise the choices filling in their preferential order of colleges and courses. For any clarification, students may reach out nearby TFC(TNEA Facilitation Center) or call our official call center(1800-425-0110).
