

**Expression of Interest for Learning Management System (LMS)
and Learning Content Management System (LCMS)**

Tamil Virtual Academy, a Government of Tamil Nadu Organization, intends to develop a Learning Management System (LMS) & Learning Content Management System (LCMS) and its software application or Web-based technology used for planning, implementing and assessing the language learning process for Tamil language. This Learning Management System (LMS) and Learning Content Management System (LCMS) should monitor the students and their participation, activities; nodal centres and their administration; conducting examinations; virtual classroom lectures and discussion forums etc. Apart from these salient feature like e-content creation, gamification etc. also to be made available.

To achieve this objective, expression of interest is invited from reputed firms, who are engaged in providing LMS and LCMS solutions.

Format for submission of Project Proposals can be downloaded from Tamil Virtual Academy website (www.tamilvu.org) Expression of interest should be sent to **The Director, Tamil Virtual Academy, Gandhi Mandapam Road, Anna University campus, (next to Anna Centenary Library), Kottur, Chennai 600 025** in a sealed cover or by mail (tamilvu@yahoo.com) on or before 29.01.2016 along with the detailed description of the experiences in the field, work done, method of accomplishing the project, funds requirements, time line etc.

The proposals will be evaluated and scrutinized by an Expert Committee constituted by Tamil Virtual Academy.
