

PRESS RELEASE

Today (12.12.2016) Aavin has made its normal supply of 11.49 lakh litres of milk in Chennai city. Of this 7.56 lakh litres was supplied through 132 routes and remaining 3.93 lakh litres was supplied through Wholesale dealers. Hence today supply of milk in Chennai metro is completely normal. Apart from this regular supply, extra supply has been made during the day to ensure that the milk is available in all parlours of Chennai metro throughout the day.

All the three metro dairies at Madhavaram, Ambattur and Sholinganallur have full generator backup and normal production is in progress today. Hence Aavin will make its full supply of 11.50 lakh litres to its customers tomorrow (13.12.2016) morning also. In case of difficulty, customers may please contact toll free No.18004253300.
