

STATE HUMAN RIGHTS COMMISSION TAMILNADU

State Human Rights Commission wants to focus on spreading awareness about Human Rights among various Stakeholders and different sections of the society like marginalized people, working women, mentally challenged people, etc., besides focusing on Research, conducting workshop, seminars and publishing journals.

SHRC also plans to encourage more online activities and total computerization of functioning.

The SHRC is also planning to co-ordinate with NSS, NCC, Red Cross and other social organizations to spread the message of human rights and social justice among the masses.

Further, this Commission also wants to speed up the disposal of petitions by adopting various new measures like computerization. Moreover, this Commission has decided to direct the authorities concerned to take action to display the contact numbers and email Id of SHRC in all the police stations across the state so as to enable any person in need to contact SHRC immediately if any human rights violation occurs.
