PRESS NOTE

ELCOT TO SUPPLY 1,00,000 NOTEBOOK COMPUTERS TO STUDENTS OF TAMIL NADU AT AFFORDABLE RATES.

With a view to providing affordable Notebook Computers of very high quality and high configuration to the Engineering College Students and other Students doing studies in various Colleges and Schools in Tamil Nadu, ELCOT has decided to float an open tender and procure 1,00,000 Notebook Computers and supply the same to the students at low cost. These Notebook Computers will have a configuration of Intel Pentium Core 2 DUO technology - 1.8 GHz Processor, 320 GB Hard Disk, 2 GB RAM, DVD Writer, 15.4" WXGA TFT Monitor, Modem, Fire Wire, Blue Tooth and built in Webcam. ELCOT expects that the open tender rates will be finalised during the beginning of June 2008 and the Notebook Computers will be available to the students from the end of June this year. These Notebook Computers will carry a three year international warranty. The students can apply directly to ELCOT either in Chennai or in any of the Branches of ELCOT at the District Collectorates and register their priority. ELCOT would provide online registration facility as well. The Notebook Computers will be supplied on first cum first serve basis. It is expected that the price line would be in the range of Rs.20,000 to Rs.21,000/- per Notebook Computer. ELCOT wishes to bring down the Digital Divide through this initiative.
