

PRESS RELEASE

The construction of bridge work by the State Highways Department is under progress at Moolakkadai Junction on GNT Road. Hence the following changes in coordination with Traffic Police, in the movement of vehicles on GNT Road between Moolakkadai Junction and Madhavaram Rountana are to be effected from 18.03.2013.

There is no change in the movement of vehicles coming on GNT Road intending towards Madhavaram Rountana and Red Hills through Moolakkadai Junction outgoing from Chennai. But the vehicles coming from Madhavaram Rountana and Red Hills towards Moolakkadai on GNT Road (incoming into Chennai) are to be diverted left at Thattankulam Junction through Thattankulam Road and should take right turn on MRH Road near Corporation Office – Zone III up to Five Roads junction and move through Tondairpet High Road up to Ethiraj Swami Salai junction and should take right turn into Ethiraj Swami Salai to reach GNT Road passing through Pavithra Hospital.

**The motorists and public are requested ignore
the inconvenience and to co-operate.**
