

Tamil Nadu
Delimitation of Town Panchayats Wards
Gazette Notification

The Tamil Nadu Delimitation Commission has been constituted for the purpose of the delimitation of wards in the Local Bodies based on the 2011 Census. On the instructions and guidelines of the above Commission, the delimitation process have been taken up for the equal distribution of population in all the wards.

The draft proposal on delimitation of wards was published in all the Town Panchayats for the perusal of the public. The suggestions and objections received from the general public and others were taken into consideration and on the basis of the rules in force, the delimitation of wards were done in all the 8288 wards without changing the existing number of wards.

As the Government have already announced that, the details of delimitation of wards will be published in the Government Gazette, the schedule of the delimitation of territorial area of all the 8288 wards in the 528 Town Panchayats have been published in the Tamil Nadu Government Gazette on 14.12.2018. This notification will be soon uploaded in the Government website also. The copy of the Gazette on the delimitation of wards may be obtained from the office of the Stationery and Printing Press, Chennai after making due payment.
