

Press Release

State Industries Promotion Corporation of Tamil Nadu (SIPCOT) has launched an online portal namely www.sipcot.in. This portal is established to facilitate the prospective & existing industrial units to avail all the services rendered by SIPCOT in a hassle free manner by bringing all the services online. As part of this initiative and as a first step towards ease of doing business, the following services have been made online, namely:

- Application for Land Allotment.
- Application for availing Incentives.
- Application for obtaining No Objection Certificate (NoC).
- Payment Facility.

Furthermore, to ease out the process of applying online, the following steps can be followed.

- Applicants will have to register themselves as User.
- The required application will have to be selected and filled in.
- The supporting documents should be scanned and uploaded.
- The necessary fee/charges should be paid online.
- Upon submitting the application, an acknowledgement will be generated and sent to the applicant's user login.
- Thereafter, the applicant can track the status of the application through the portal.
- Applications will be processed by SIPCOT and the outcome will be intimated to the applicant through the portal.

In addition to the above mentioned services, SIPCOT has also taken steps to provide information such as the extent of land available for allotment in each Industrial park, its cost and also the area and plot No. of vacant plots. This data helps the prospective industrial units to have first-hand information about the available vacant plots and also to select the plot of their choice.

SIPCOT is in the process of improving its service delivery by simplifying the existing processes and procedures so as to benefit the investors and also to improve the quality of the investment climate in the State of Tamil Nadu. It is hereby informed that SIPCOT will not entertain manual applications for the above said services hereafter.
