

CHITHIRA SANTHAI (PAINTING EXHIBITION)

Tamil Nadu Tourism Department is taking several measures to popularize the various facets of art and culture in nooks and corners of Tamil Nadu. It organized, "Tamil Nadu in Colours", a special event last year, with the participation of leading artists and they painted the dimensions of Tamil Culture and picturized tourist spots of the State in Rajaji Hall. Tamil Nadu Tourism is going to organize an event entitled "Chithira Santhai", a painting exhibition to educate about the various fine art forms for the first time in Chennai. The exhibition will be inaugurated by Thiru K.S.Sripathy, I.A.S., Chief Secretary to Government of Tamil Nadu, in Island grounds, Chennai on 21.2.2009 at 9.00 a.m. The exhibition will last for two days.

Eminent artists from Tamil Nadu, Karnataka, Kerala, Andhra Pradesh and Pondicherry will be participating in the event. Paintings of Korea will also figure in the exhibition. Students of Fine Arts Colleges will participate in this event and exhibit their paintings. No fee will be collected for the participants. Board and lodging will be provided for the participants from other States to facilitate their stay and performance. The paintings which are generally seen in heritage places, guest houses, museums and private galleries will be exhibited to the common man in a public place by virtue of this event. The artists who cannot afford to get their paintings displayed in costly galleries will get an avenue to showcase their talents. Hoteliers, Private Enterprises and Public can buy the paintings of their choice at an affordable rate. The exhibition will be a great experience for connoisseurs of art. Rock paintings, Mural paintings, water colours, oil paintings, oil pastes, mixed media and paintings with different styles (conventional, realism, surrealism, cubism, impressionism, expressionism, fauvism, three-dimensions, Dadaism, Popism, etc.) will make the show grand and attractive.
